"CEASE FIRE"

Over the broken dead,
Over the trenches and wire,
Bugles of God rang out—
"Cease Fire".

Woe to those nations of men
Who, in their heat or desire,
Break that stern order of God—
"Cease Fire".

Foreword

The B.C.S. Magazine has done me the honour of asking me to write a Foreword to the present issue. This I gladly do, for I know I am reaching young lives who are going forth, each one hoping to contribute something of work and energy to the moving current of human life which passes on and on in the great world's drift.

We all remember how Napoleon, when endeavouring to infuse his army with fresh courage, pointed to the pyramids and told the men that forty centuries were looking down upon them. He knew the power which a great historical past had to inspire the present.

Each closing year of a School's life in a similar way brings before the mind of the pupils some such moral uplifting from its past history. In an institution like Bishop's College School, from which thousands of lives have gone out to do their duty in the world of men, the Honour Roll of a great past gives an inspiring background to each succeeding generation of boys.

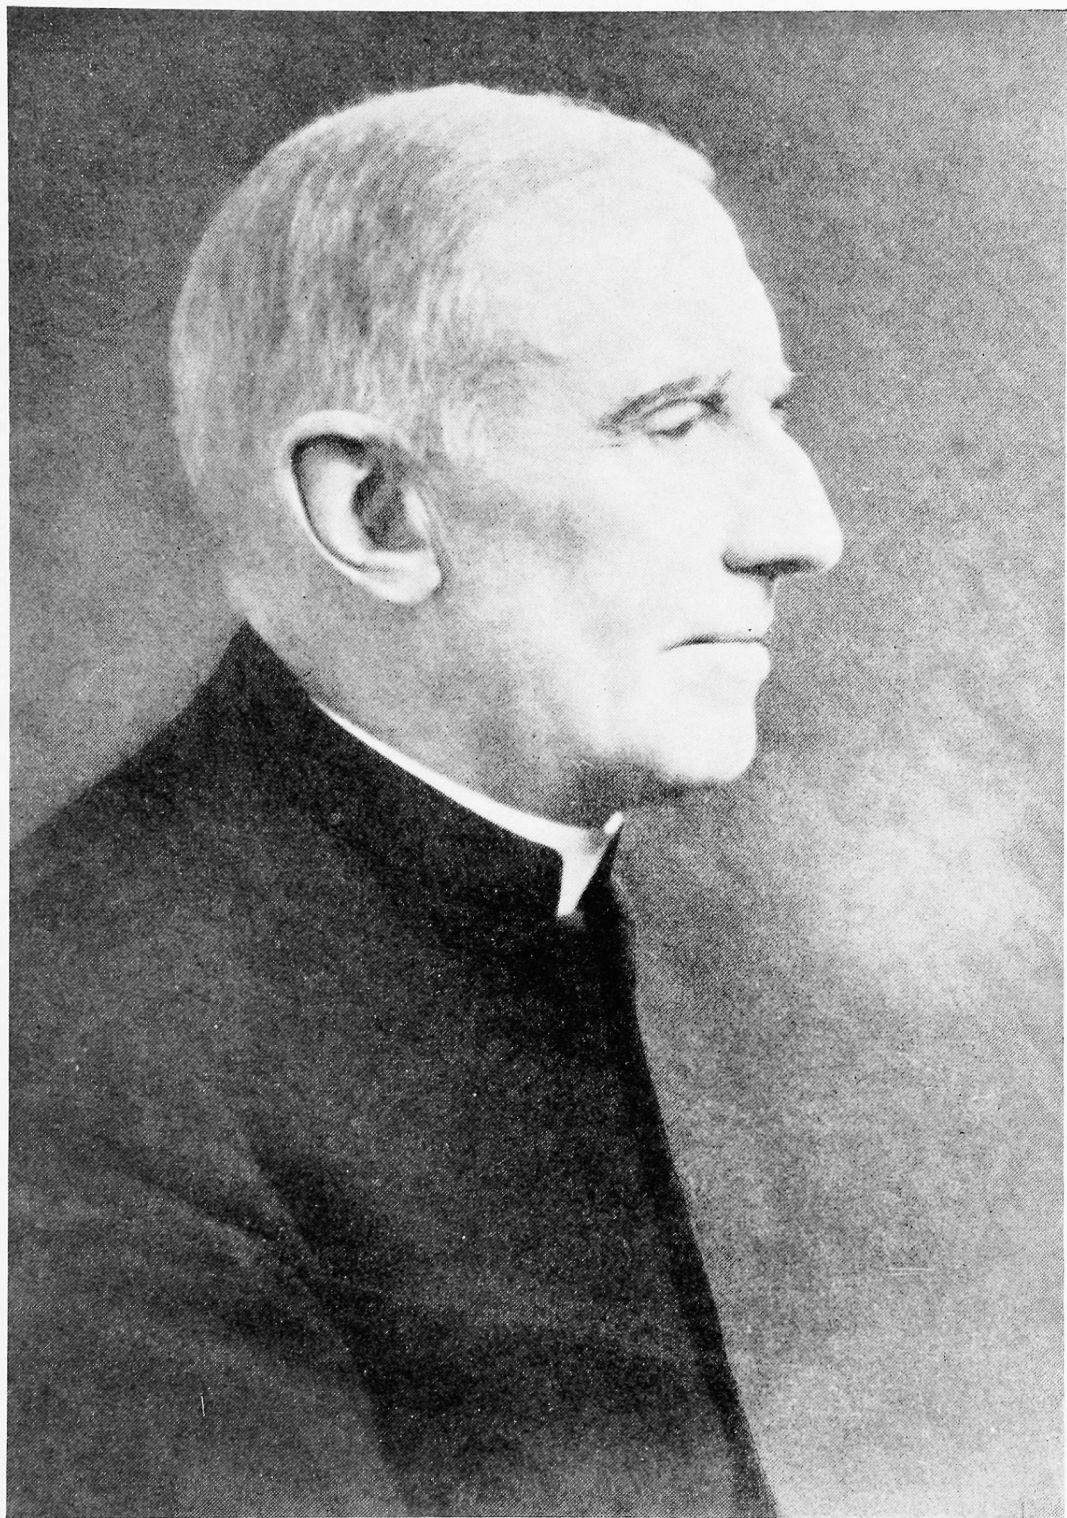

Men who have gone from its walls have built up a monument of high-souled endeavour which fills the imagination of the young with ideals. They too must play a part in their future life worthy of the School's past achievements. Thus past, present and future combine to inspire the mind of opening manhood with those principles of honour, duty, self sacrifice, lofty ambition and devotion to the service of God and man, which each boy should uphold in his individual life.

In closing, may I give to the boys of Bishop's College School this simple motto:

I pledge my life and honour
To serve, as best I can,
My God, my King, my country
And the brotherhood of man.

Quebec, May 16th, 1943.

IF WE MUST PART . . .

If we must part, let this our parting be
 Peaceful as break the clouds in sunny skies
 And let it be, before all mortal eyes,
As smooth as part the swells upon the sea
That never re-unite. Thy mind be free
 Of foul self-pity's taint—heed not its lies.
 No redress for thy wound such conduct buys
For they are but regret for destiny.

Let us be sure in all there is intent;
 Some good our fated comradeship has wrought,
And tho' our hearts are bruised, we are the fitter.
Thus may we learn to harbour with content
 A bright and dear remembrance. Happy thought,
 That memory may sweeten, not embitter.

D. S. N. (Old boy, written while here).

A SOUVENIR

REQUIESCANT

In lonely watches night by night,
Great visions burst upon my sight,
For down the stretches of the sky
The hosts of dead go marching by.

Strange ghostly banners o'er them float,
Strange bugles sound an awful note,
And all their faces and their eyes
Are lit with starlight from the skies.

The anguish and the pain have passed
And peace hath come to them at last,
But in the stern looks linger still
The iron purpose and the will.

Dear Christ, who reign'st above the flood
Of human tears and human blood,
A weary road these men have trod,
O house them in the home of God.

Editorial

We esteem it a signal honour to have a foreword from Frederick George Scott, Canada's noblest poet.

From his books, too, we have frequently culled poems for insertion in the Magazine and he has always given us permission to publish them. For this, also, we put our gratitude on record here.

More Old Boys have given their lives in the fight for Freedom and many are reported missing.

The School is more deeply saddened by the news as the casualties become names of boys who were here within the memory of even the lowest forms.

We feel deeply sorrowful for those who are suffering the loss, and for those who are under constant tension awaiting news of a missing loved one. We share with them a solemn pride in the sacrifice while we contemplate their splendid lives and while their photographs revive many pleasant episodes and memories.

We would like to have all their photographs for the Magazine; very often it is not possible to procure them in time for publication; sometimes, too, we feel loth to cause what may be unnecessary annoyance at such times.

"Hard work and devotion to the work in hand, in spite of unsettling events, has never failed to bring its reward. In the Editorial of the midsummer issue of the School Magazine, (1942) the following passage appeared: "*A splendid and unequalled year's work lies behind and whatever the results may show the School has done its duty in work and sports*" B.C.S. has frequently had the honour of heading the list of successful candidates in the McGill Matriculation in June. First in the Province has been the *ne plus ultra* of school boy ambition. This year the three first are B.C.S. boys. Add to that the fact that they are the only boys awarded First Class honours and you have the picture complete and an unbeaten record."

Following this new all time record we do not know what this year has in store for us, but we do know that the School has, with equal tenacity, faithfully done its duty in work and sports, and wish everybody *hard work* and *happy landings*.

We cannot refrain from expressing our ardent admiration for the Football and Hockey teams; the undefeated Rugby team was brilliant throughout the season: undoubtedly, the Hockey team was equally brilliant, and we heard nothing to the contrary until a reverse occurred in the last period of the last game of the season; this was an absolutely unpredictable calamity, caused by special circumstances and should in no way detract from the kudos of the Team's splendid season.

Congratulations to the Cricket Team, too. At this last moment before publication, we hear that we have won against both Lower Canada College and Ashbury.

Some years ago we were thrilled when a new comet flashed into our ken in our microcosm of poetry, in the person of Kenneth Hugessen, a most lovable and gifted boy, who passed on recently, but who lives in our hearts still through his poetry. We cannot forget the sudden pleasure we derived, even while criticizing it, from an earlier poem of his published in the Magazine in 1938:

*But I am great; no artist's lip
Can e'er pass by a model ship.*

and from his War Poems. There is a clear cut element of precision in it, coupled with a concinnity and craftsmanship which does not, as usually happens, interfere with the true poetic element. Every true poet has something new in his work which he alone possesses but rarely do we see this, almost perfect combination, in the poetry of this or any other language, more rarely still in one so young.

ADIOS—BEFORE DAWN

Still the same—yet *strange* arising, wreathed in tree-tops; ghostly grey
Mid the radiance of the starlight and the driveways that embay.
Cherished buildings, now idyllic, young fresh ages round you roll;
Many fairest youthful fancies crystallize and find their soul.

B.C.S. are you enchanted? faces gone are round you met!
Vital, strong, as in the old days: they do not—nor we—forget.
Lo! a group, unwarlike eager, in the quest of Holy Grail:
Chivalrous, idealistic, true Canadian-English-Gael.

Their Ideal points: for honour, liberty, fair-play; for You.
O'er the world their bones lie mouldering they have pierced the deeper blue.
Once, as now, fond memory quickens—One stood here, near yonder pile!
Redder, warmer, seemed the red bricks, basking in his sunny smile.

Calm pervades the grand space forward, to the verge line, dimly grey;
 Voices gone invade these precincts in the hush before the day.
 Whispering low their adoration, incense faintly breathing, see
 Cherished trees to You are bending, dreaming in dim ecstasy.

Who can all life's counters, gladly, sacrifice for stress untold?
 At each turning of his life-tide prize, alone, the mystic mould.
 Long last night the discourse lasted, leading on to rivalry:
 Army shall be my vocation? Navy? Air-force shall it be?

B.C.S. in silent splendour, on a day I well recall!
 From the noisy world I entered to be ever in your thrall—
 Soft, serene a blue-gray aura settles, holy as a vow;
 Draws a silent throb as tribute, our to-morrows veiling now.

Your alumni, through the ages shall be chivalrous and strong;
 Through the changing sea of faces shall your growing fame prolong.
 Time may suck the colour rudely from the lovely things I see—
 But your memory shall linger green and fresh, as now, for me.

Time may all my roses shatter; life run dry that now runs rare;
 In this dream-light I enwreath you—Thoughts are strung too thick to dare.
 Still, serene, the blue-gray aura joins the blue of far-away,
 All our yesterdays uniting—soft! the first faint touch of day.

ARGOT

*Watch the line!—The pace is steady.
 All the boys are marching fine.
 Ne'er again they'll march together
 As to-day—so, keep in line!*

*Next year some will march as blithely
 To another time and tune;
 We shall watch them from a distance,
 In another, older June.*

*Still, perhaps, with pace as steady
 As was ours—no, not so fine!
 There shall never be a better
 Than was ours—so, hold the line!*

*If, in life, we march as steady,
 Steps as true as yours and mine;
 There shall never be a finer
 March than ours—so WATCH THE LINE!*

School Notes

The Hon. A. Knatchbull-Hugessen and Mrs. Hugessen have donated a Five Hundred Dollar Bond of the Fourth Victory Loan, in memory of their son, Kenneth. This will provide an annual revenue of \$15.00 to be devoted to a prize which shall be annually awarded for not less than three poems totalling a minimum of forty lines. This prize is to be called the "Kenneth Hugessen Poetry Prize!" Our thanks are due to Senator and Mrs. Hugessen.

Chapel Notes

During the term two special occasions provided a change from the regular course of Chapel services. On May 16th services of thanksgiving for the great victory in Tunisia were celebrated in all churches. It was proposed that the boys of the School should attend service in St. George's, Lennoxville on this occasion. The Cadet Corps paraded to the Church, and some members of the School choir sat in uniform with St. George's choir in the chancel. The idea that the School should join in its thanksgiving with the people of Lennoxville was a very happy one and the service was simple but moving because it was possible to feel that all the members of the large congregation were sincerely grateful for the event that had brought them together. The Holy Communion was celebrated by the Rector, Archdeacon Jones, assisted by the Principal of Bishop's University and the School Chaplain. The Principal preached the sermon.

On May 23rd the Bishop of Quebec visited us for the annual Confirmation and administered the laying-on of hands to the following:

William Cauldwell Boswell
 Richard Jackson Byles
 Hugh Ross Cleveland
 Egerton James Neville Tobias Coghill
 Anthony Richard Curzon Dobell
 Robert Craggs Howard
 Robert William McCreery
 John White Mitchell
 Peter Ian Moffat

Thomas Dudley Page
 Michael Dudley Page
 Robert Hartland Pitfield
 William Duff Scholes
 Jeffery Amherst Skelton
 Donald Stanley Sutherland
 William Duff Sweeny
 John Albert Tyler
 John William Winder

A number of parents, friends and relatives were present, and this also was an impressive service.

The Choir

Many new boys—most of them young and small—were admitted to the robed choir this year, after a period of probation. They are doing very well, increasing in volume and sweetness of tone, and gaining experience in the singing of psalms and canticles, as well as acquiring a knowledge of the rather large repertoire of hymns necessary for the various services and seasons. The period from Good Friday to Easter Sunday was a busy one for the choir, for the boys were called upon for the morning service on Good Friday, the Easter morning service, and in addition rendered "the Messiah" in the School Chapel on Saturday evening.

This was the biggest test the choir had ever had and it must be said that, considering the difficulty of the music, the boys acquitted themselves exceedingly well. Of course, some of the choruses and solos were quite beyond their powers, but these were not rendered. The musical portions left out were read very ably by the Prefects, Finley and Morkill, who sustained the dramatic appeal of the Oratorio in the passages allotted to them.

The choruses and solos rendered were as follows:

Solo and Recitative: "*Comfort ye my People*"—Junior Choir and Boswell.

Chorus: "*And the Glory of the Lord*"—Choir.

Solo: "*But who may abide the day of His coming*"—Hancock.

Solo: "*For behold, darkness shall cover the earth*"—Dodds.

Chorus: "*For unto us a Child is born*"—Choir.

Recitatives: "*There were Shepherds,*" "*And lo! the Angel of the Lord,*"

"*And the Angel said unto them,*"

"*And suddenly there was with the Angel*"—Empey.

Recitative: "*Then shall the eyes of the blind be opened*"—Smith.

Solo: "*He shall feed His flock*"—Smith, Boswell and Junior Choir.

Chorus: "*Behold the Lamb of God*"—Choir.

Solo: "*He was despised and rejected*"—Smith.

Choruses: "*And with his stripes we are healed*"—Choir.

"*And the Lord hath laid on Him, the iniquity of us all*"—Choir.

Solos: "*Thy rebuke hath broken His heart*"—Horniman.

"*Behold and see if there be any sorrow*"—Horniman.

Solo: "*Thou art gone up on High*"—Hancock, basses and tenors.

Solo: "*How beautiful are the feet of them*

that preach the gospel of peace"—Boswell and Junior Choir.

Chorus: "*Hallelujah*"—Choir.

Solo: "*I know that my Redeemer liveth*"—Boswell and Junior Choir.

Some of the solos and recitatives in addition to those mentioned above were very beautifully played by Mr. G. H. Moffat of the Upper School on the violin. To Mrs. Bell, L. Mus., who presided at the organ in her usual efficient and sympathetic manner, we offer our sincere gratitude. She gave her services freely at a time when she was very busy. Congratulations are tendered to the soloists, to all members of the choir, and to the readers on a successful and creditable result after strenuous practices.

The names of the boys taking part were:

- Trebles:* Ballantyne, Boswell, Brodeur, Coghill, Cresswell, Empey, Furse, Gordon, Hutchison, Jekill I, Jekill II, Lawrence I, Lawrence II, Lindsay-Hogg, Milling, Moffat II, Monier-Williams, Page II, Pattison, Pestalozzi II, Rider, Scheib I, Scheib II, Sheard, Stewart-Smith I, Stewart-Smith II, van Millingen, White, Whitehead II, Winder II, Winslow, Williams.
- Altos:* Black, Byles, Ford, Pestalozzi I, Pitfield II, Price II, Smith, Taylor II.
- Tenors:* Boright, Darling, Finley, Horniman, Lemieux, Morkill, Sheppard, Sewell, Stoker, Wallace, Wanklyn.
- Basses:* Boyd, Dodds, Evans II, Hancock, Jarrett, Macfarlane, Moffat I, Phelps, Price I, Rothschild, Stevenson.

Owing to the shortness of the term, we were unable to accept the kind offer of the Venerable Archdeacon Jones, St. George's Church, Lennoxville, to sing "the Messiah" there, and also the opportunity to sing it at Coaticook.

Our thanks are tendered to Mr. R. Havard for his kindness in lending us copies of the music.

The Sunday morning helpers, Boswell, Black, Boyd, Ford and Pitfield II, deserve our praise for their invaluable work before and after services, in giving out and collecting hymn books, attending to hymn boards and making themselves generally useful.

Ten of our tenors and basses assisted the St. George's choir at the combined service of thanksgiving in Lennoxville on Sunday morning, May 16th.

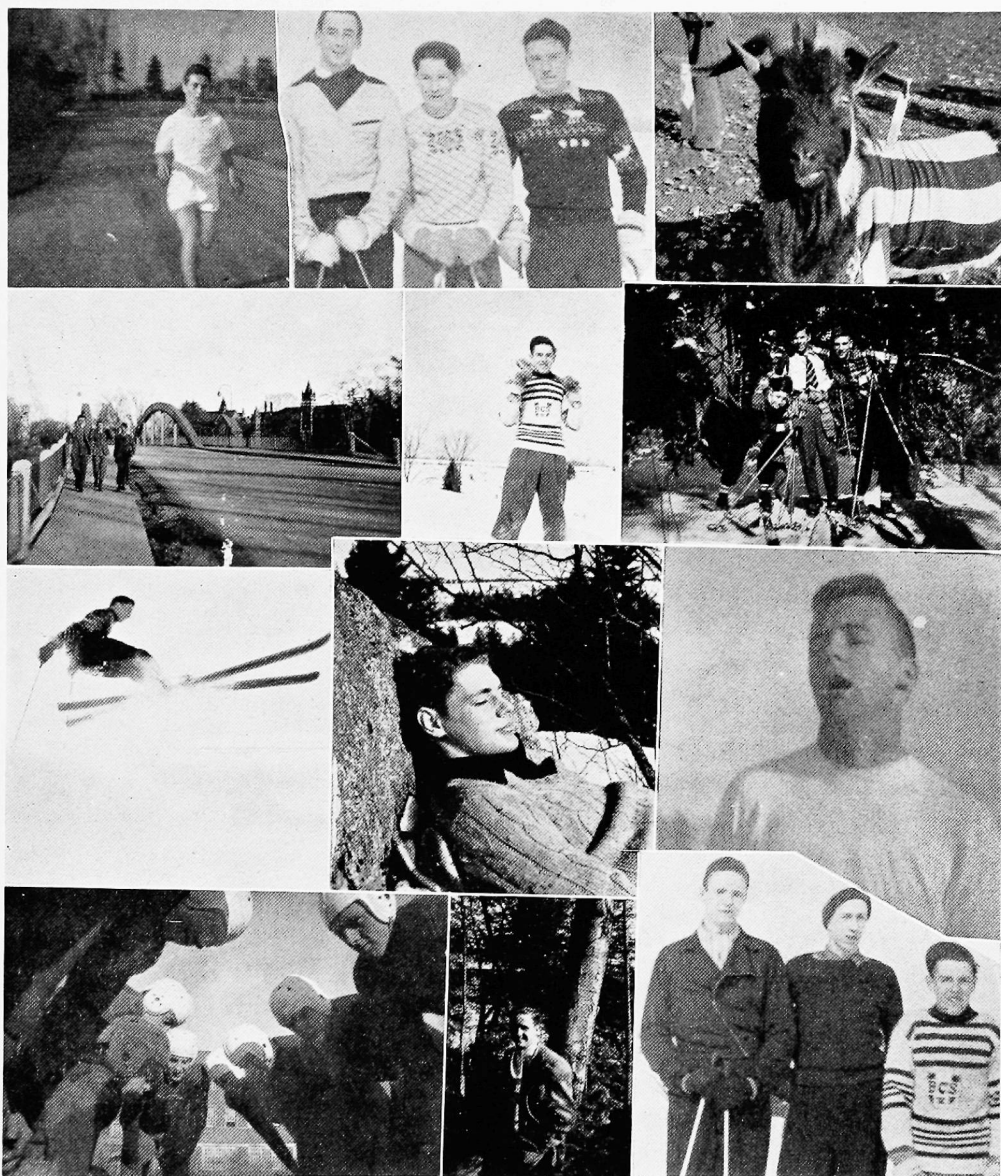

We were glad to see Col. and Mrs. C. G. M. Grier at both the Messiah and Easter Day Services.

Throughout the year we have had the unfailing co-operation in all the choir efforts of the Acting Headmaster, Mr. F. R. Pattison and Miss Reyner, the Preparatory School Matron, who has so willingly and efficiently looked after the cassocks and surplices. To them we extend our sincere appreciation.

EASTERN CROSSING

Down the wide St. Lawrence to the Gulf and to the ocean,
Where the great ships pass with their swaying easy motion.
Sailing through the channels where the bitter winds are blowing
And the salt seas stagger on the tides swift flowing.
On to the horizon which we never leave behind us,
Where the dying sun's rays feebly try to find us:
While the rough and rugged creeks of Canadian shores are slipping
And a field of waves between us ever rising ever dipping
And we stand and watch our wake, so wide and ever churning,
And feel the crazy throbbing of the screw's incessant turning.
Then as the light grows dimmer and the day gives way to night,
We feel a grasping mystery, the ocean's fearful might.

POT POURRI

TO (A SCHOOL FRIEND)

Dear friend, I bid you now a last adieu
 Before we part, and go our fated ways;
 And this the hope I know I share with you—
 That we may not forget our braver days.
 Once past this gate, and we have left behind
 The happiness and comradeship we've known
 And from a life where all was bright and kind,
 We step into a darkened world—alone.

Remember now the dreams that late were ours,
 Turn back your mind upon the life we've led;
 And, ere the darkness all around us lours,
 Look back upon your boyhood that is dead—
 And though we part, my friend, stay ever true
 To friendship, and keep faith with what we knew.

KENNETH KNATCHBULL-HUGESSEN.
 His last poem.

(This poem was sent to us by Sherman Holley, Camp Wheeler, Georgia).

FIGHTER COMMAND

They fight ten times their number day and night,
 They fill the skies with blood and steel and fire;
 Each new sun-darkening swarm they put to flight,
 To keep free England . . . freedom's ancient sire.
 New armies of the free with winged swords,
 In a new Marathon, they sweep the sky
 A glorious day, hold off the foreign hordes
 For one more blood-rent day; and then they die.

And then they die. But still on England's shore
 Reigns freedom, though the skies are burning red;
 Though heroes come and go for evermore,
 These be thy heroes, England: these, thy valiant dead.
 O mourning nation, cherish thou the pain
 That marks their death: they have not died in vain.

(In June '41 issue)

KENNETH KNATCHBULL-HUGESSEN.

I'LL FOLLOW

I'll follow the stars until I reach
The end of my endeavour.
I'll follow the rays of the sun for each
Goes upwards and for ever.

I'll search for the pearl on the ocean floor
And searching never find it.
I'll look for the key of the secret drawer.
While others never mind it.

I feel like a tiny barque that's tossed
Alone on a stormy ocean,
I'll strive for the heaven that's often lost—
Endeavour and devotion.

REBORN

As I walked into the stillness,
And the light of another day;
I heard the prayers behind me
Of those who had to stay.

I took one last look backwards
At the mountains rising steep,
Which kept the rays of the morning sun,
From the devil's ugly keep.

Then I turned my face to the northward,
To the fields of the new-born life,
But on the soft and sultry winds,
I heard the note of strife.

But my footstep never faltered,
For I knew that I did well,
And I felt the demons leave me
As I left the gates of hell.

"I CAN STILL REMEMEBER MOST OF IT ALL"

I can still remember most of it all
The green of the grass in the early spring,
The silvery sheen that the first snows bring;
The reddish-brown hue of very late fall,
I still can remember most of it all.

The chain of ivy all over the wall,
The blare of the bugles on Saturday morn,
The end of the game—all muddy and torn,
The scarred cricket bat—the old rugger ball,
I still can remember most of it all.

The bright light of the moon when late one night,
I stood on the steps and thought about life.
I thought about war and trouble and strife;
And then I decided it *was* time to fight,
It *was* time to do the thing that was right.

But I shall remember most of it all.

OLD BOY, R.C.A.F.

REPORTED MISSING

F/O PETER G. HOLT

On his 20th birthday Flying Officer Peter Holt, son of Major W. R. G. Holt, O.B.E., and Mrs. Holt, and grandson of the late Sir Herbert Holt, was reported missing after air operations. Educated at Selwyn House School and Bishop's College School, Lennoxville, he enlisted in the R.C.A.F. just before graduation and took his training in Montreal. He went overseas in August last year, gaining his commission just before he left, and since then has been promoted to Flying Officer.

Freedom for all and a freedom from want;
Hunger and strife that the slums seem to haunt,
Starving and wasting the body of men.
For the many whose life has been made to bend
To the evils of daily temptations.

Freedom to worship the God who on high
Looks down on the world and the men there who die,
Stretching a hand in the hour of need
To the soldiers of war, regardless of creed;
That new peace may be brought to the nations.

Freedom from tyrants and freedom from fear:
That our children may live from year to year
In a world that's clean and of upright thought
That our soldiers with blood and toil have bought.
What higher a price can anyone give?

Freedom of speech to tell the world
Of a truer hope which this flag un-furled,
To a people whose hearts were torn asunder;
Who awaken now without fear of thunder,
Those dead have died so that we may live.

CADET CORPS NOTES

The Annual Inspection of the Cadet Corps took place in the Sherbrooke Armoury on the 26th of May at 1400 hours.

After having travelled in lorries to the Armoury the Cadets fell-in and after a brief inspection by the Platoon Commanders the Corps was ready to do the first half of its drill movements.

The Company formed three ranks, sized and took the Inspection by Col. Grier, O.C., the Royal Army Cadets Corps of Canada. He spoke to many of the boys he knew personally and inquired of them many little details that interested him. He also stated that he had never seen such a big turn-out in the Preparatory School and praised their appearance.

The Cadets then moved off to march past in line. Following this was a march past in column of platoons and again in close column of platoons.

They then grounded their arms and the Special Platoon took the attention of the many spectators. They performed their basic drill movements without a word of command. Their motions were the fundamental principles employed by a sentry on duty. So ended the first half.

The Corps then re-formed platoons and moved to the left in threes. A company wheel followed. The Cadets then formed line and there rested a few moments. The deployment was the next on the list. Then they formed up in columns of platoons and proceeded to size in threes.

The advance in review order at the slow march brought the Corps in front of the Colonel and there the General Salute was given, followed by the distribution of military prizes. The following were the winners:

J. B. Allen Cup—The most efficient Officer in the Cadet Corps, Cadet Major H. D. Sheppard.

Medals for the most efficient N.C.O. in the Cadet Corps, Cadet Sergeant A. H. Finley.

Medals for the most efficient turned out Cadet in the Com., Cadet R. W. Stevenson.

Medals for the most efficient Recruit, Cadet J. Tyler.

Medals for the most useful Cadet in the Corps, Cadet Band Sergeant J. O. Davis.

Medals for the most efficient Cadet, Cadet T. Hodgson.

The Colonel addressed the Corps and extended his sincere congratulations to the whole Company and said that this had been the first time that he had had a chance of seeing the parade through the eyes of the inspection officer and that now he could tell what it was all about. He also spoke about the work of the Canadian Cadets in the whole Dominion, saying that it was too bad that more interest was not shown in regard to this great organization. He quoted Winston Churchill in his speech to the Home Guard that they had been backed by the boys of seventeen who had been trained in the Corps. He concluded his speech by asking for a half-holiday from the Headmaster. Three cheers were then given and the Corps, having been granted leave to dismiss, marched off and ended the parade.

On the 16th of May the whole Cadet Corps paraded to Lennoxville to a church service in commemoration of the victory in Tunisia by the Allied Armies. The parade fell-in at 1015 hours and marched down to the Church.

The Special Platoon was commanded by Cadet Captain S. Dodds, who handled the squad with great efficiency all through their training.

We felt awfully sorry that Cadet Lieut. Ward Pitfield was unable to be at the inspection due to a knee injury. He was in the hospital having it treated at that time. We sincerely hope it heals up quickly and that he can be amongst us soon.

The Band is to be congratulated on the magnificent work it turned in this year, under the command of Cadet Band Sergeant Jack Davis, who really took a great interest in his job and completed a fine showing. Colonel Grier commented on this during the inspection and said himself that the standard of music was grealy improved.

H. D. S.

Post Script to the Inspection notes:

Assisting Colonel C. G. Grier were Lt.-Col. Chicoine of M.D. No. 4, Lt.-Col. Cantlie of the Black Watch and Lt.-Col. H. E. Vautelet who came with Col. Grier.

During the deployment a Lewis-gun team performed in front of Colonel Grier and he showed great interest all through the procedure. The team had been trained by Mr. Lowndes of the School staff.

Chapman's

Another year has passed and in a few more weeks the twenty one inmates of Chapman's House will be saying good-bye to their beloved dwelling. This year has been an exceptional one; the fact is that very few people have been late for breakfast, which in previous years has been one of the usual things associated with the House. This is probably due to three things. First, the excellent training the boys kept in for the 300 yard dash from Alf's to the School as the minute bell goes. Secondly, the extreme promptness with which we were awakened by Pete Satterthwaite who seemed to have a monopoly on the days given in the House. Thirdly, the way in which Bob Christie would, without failing, bring up the end of the line, encouraging the stragglers to put on more speed as the call "Line's gone" rang out. This year, for probably the first time in the history of the School, some of us have been able to enjoy the luxuries of a turkish bath. It was a novel experience and we learned many things, one of the most important was that if you wanted to breathe and survive, you had to lie down on the floor.

We wish to thank Mr. Moffat for his sincere hospitality on Sunday nights, when we all went down to his house for cocoa and crackers, a thing which we all looked forward to. Last but not least, Stan, Bob and the scribe wish to thank Mr. Moffat for his wonderful Saturday night feeds of hot toast and coffee, which were more than enjoyable, for, we always had enough to eat and left the table feeling like kings.

Williams'

WILLIAMS' HOUSE. 1942-'43.

The beginning of this school year was one of changes for Williams' House. Four old "D" dormers, Pete Aird, Cort Brown, "Blodge" Cadenhead and Lem Preston were there with Frankie Morkill and Bob Hampson as Prefect and Headboy. To break up this happy family Pete was promoted to the rank of a head boy and was moved up to the School House. Frankie soon followed. However after Christmas Pete returned, but into the cubical instead of the dormitory. Don Sutherland came down also.

So you have the happenings at the "House" for 1942-'43. We all join in thanking Mr. and Mrs. Patriquin for giving us all the comforts of home during the past year.

E. S. C.

Senior Matric

ALPHONSE LOUIS LEMIEUX: *"Show me the steep and thorny way to Heaven"*—
Shakespeare.

In this character, we come upon the wit of the seventh form—so Lem tells us—and from inside sources we hear that it is due to his brawn that the Masters think twice before entering the room. It might be thought by outsiders that the quotation "A little learning is a dangerous thing" becomes this mainstay of the dungeon form-room, but if you poke your head into the Prefect's room in the small hours of the night, you will see that you are greatly mistaken. Originator of jokes (?), Lou passes his material on to Fin, the promoter, and hence relieves himself of any embarrassing criticism. However, we admit (no! he's not standing behind us!) that Lou is a source of merriment, even if we do take turns as the target for his practical bantering.

Captain of football, and a sure back-fielder as well as a stalwart defenceman on the Hockey team, won Lem great admiration, but this term our spies report that he has run around the track course twice to keep himself in condition. We wonder what he's training for?—perhaps to get away from the little farm dog he shanghaied last term and which was a continual source of annoyance to everyone.

As a matter of fact, Lem is the game-warden of all animal life this side of Sherbrooke and it is not unusual to find ground-hogs, skunks and what-not with their brains blown out by grape-shot. However, Lem is just getting his nerve up for future experience as he hopes to join the Army this summer. His well-handled position of C.S.M. in the Cadet Corps has proved to us that the Canadian Army is in for a big treat! Let's hope so.

ALAN HOWARD FINLEY: *"It's love that makes the world go round"*—Gilbert.

Fin holds high positions in the "Dungeon" as part time leader of the Opposition to the Masters, maestro of the Glee Club, promoter of jokes and Minister of Labour. For A. H. F., life begins at midnight and his escapade down to Chapman's House in the guise of the "Night Patrol" was very perilous and exciting. A recent sortie, however, relieved him of his position on the "night shift" and ended in disaster as his past crime caught up with him that night—so did a master. Last Fall, Fin was the brains of the 1st Football Team playing the position of the elusive quarter-back. At hockey he was a terror at centre with his famous "perpendicular - lift - shot". This term, while not reporting every hour for his sins, he may be seen touring the 440, pitching balls at his fellow-cricketers, or playing a mean game of softball on second base. The broken ear drums of the comrades of the Prefect's Room are due to him as are the broken canes. In the Cadet Corps, he is the fearless tough Sergeant who makes his platoon sweat and swear. A. H. F. took a vacation from his beloved choir for a while, but staged a come-back under pressure of "pop"-ular demand. He secured the envious job of reader for The Messiah where he proved his value. Most of the postmaster's curses are flung in his direction because of the overflowing, steady stream of letters which pass between our own Bug Finley and a certain lady-friend in Westmount. ("Love is the spice of Life"). After Matric, Fin would like to add his aggressiveness to the Army where he shall, no doubt, rise rapidly in the Service.

GEORGE WATTS HUGGETT: "*Hew the block off and get out the man*"—Pope.

If the going, or the master, gets too tough, it is George who calls the walkouts in the Seventh, where strikes predominate. If an embarrassing question concerning the answer to some oily question is shot at the Fearless Five, it is George again who calls out the correct response. "Gaiety" is Supreme Justice down at Chapman's House where he keeps the boys in trim and lends a hairy hand to Stan when insurrections arise. As a Sergeant in the Cadet Corps, he is the one who produces "Blood, Sweat and Tears" in No. 2 Platoon, and is king of the wood cutters who slave under his command. While the Ski Platoon was in existence, George was in charge as anyone could tell by the language which was uttered by its occupants, as his name punctuated each and every curse. In Football, he would wrap a pair of dangling arms around the ball carrier and it was all too frequent that his high-stepping feet, clad in red underwear going like pistons, loomed up in front of an unwary enemy. The nicotine fiend of the Prefect's Den is the one and only Jaw-Urge from whom many thousands of cigarettes have been "borrowed". A loyal supporter of the C. I. L., George is invariably in the lab, trying to enrich his mind and pocket by striving to discover some new test. Next fall, George will be heading for Queen's where he shall, no doubt, thrive in Chemical Engineering and as if that course is not big enough in itself, he plans to take Naval training at night, instead of being dragged around by the co-eds to engage in various sports. Eh George?

STANLEY DODDS: "*No talent, but yet a character*"—Heine.

The Robin Hood of the B.C.S. woods is the notorious Stan, who, with two other of his cronies, has thrown together a shack under the "Three Pines" to which all paths, especially the infamous Tobacco Road, lead. Here he spends all his spares. While on duty down at Chapman's House, Stan under the rank of Head Boy, subdues all riots, ruling with an iron hand. He is the human alarm-clock and constantly rises with Old Sol. He is Captain Dodds in the Cadet Corps, being officer of No. 1 Platoon and in charge of the famous Special Platoon. Stan's voice is the mainstay of the basses in the Choir and was selected to sing a solo in The Messiah. Being snap on the Second Football Team, Stan bore the brunt of many savage, almost disastrous, attacks. During the winter, when not on the red list, he roamed the woods about his hut cutting down every available tree in sight, almost; so that he could be second in command of the wretched Wood-Cutters this term. Prof. Stan is very active in the lab. and when not in a black rage has done quite a bit of research with "Gaiety" in various fields of organic life. While being at home in the great outdoors up in the woods, Stan is also in his element on the sea and though he is only called the Anchor Man of the Dungeon by his four colleagues for Humour's sake, "Mouse" is determined to become another Nelson in the R.C.N.

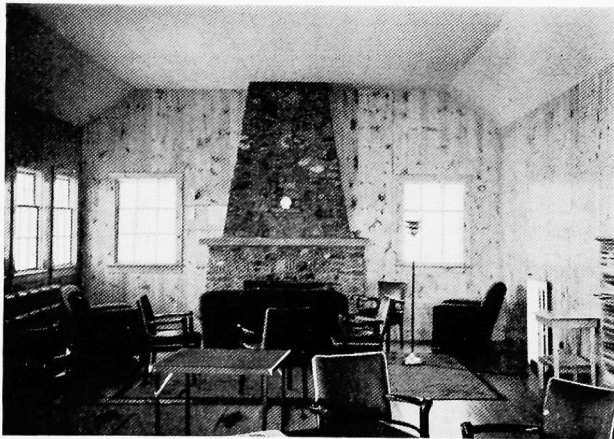

JACK OGILVIE DAVIS: "*Men of few words are the best men*"—Shakespeare.

Here we have Chile's good-will tourist, who has been delayed at B.C.S. three years. Jack is now a Head Boy and enjoys the easy pleasures of a Head Boys' paradise—the dormitory cubicle. A cry of "fire" or "general call to arms" might easily be taken up on seeing or hearing the sounds of revelry issuing from F Dorm, but on second thought we realize that Jack is refreshing himself with nice cool nicotine and attempting to annoy

the House Master by trying out the latest drum beat for the band. For in truth, our Chilean "hep-cat", as Band Sergeant, has completely revolutionized the band with painstaking patience and it is now possible to listen to it! Ask "Jimmy One-Toe!" (N.B. Lt. Fisher's dog).

Jack was a member of the Ski Team this year and was Sergeant of the Ski Platoon, where he and George organized the squad into a unit worthy of the traditional good standing of the Cadet Corps. In football, he was a reliable substitute to the first team, while his running interference was a continual source of embarrassment to the opposing teams.

Lately, Jack has taken to the wood-cutting mob, but we hear from unconfirmed reports that he enjoys numerous lazy sun-baths out by the "Wreck" or plays a wicked stroke on the tennis courts. This member of the Seventh plays an important role in class; for who is it that gets the master into good moods? who keeps order? and finally who "scribes" as secretary during our "Chem Seven" experiments? None other than J. O., and we know that his ability to organize and his widespread friendship will be duly rewarded as he leaves us to join the Canadian Air Force this Fall.

SALON OF THE CHÂLET

Sixth Form Notes

TREVOR LEWIS ARMITAGE EVANS.

With a Prep hat and a purple sweater Trev answered his first roll call in '37. He also answered the call to sports, pinning Soccer and Hockey crests on without more ado.

A year later he carried the coveted New Boy rules. Following this blissful year he became a neutral and honoured himself at both Football and Hockey.

Trev repeated this a year later and this time he was appointed Captain of both teams and did the job excellently.

A jump from Senior to Prefect found Trev at Williams' House and in the company of Gerry Macdonald. Injuries at Football marred a bit of the season for him, however he came back and through nothing else but pluck and hard work he won his colours. Hockey wouldn't have been the same without him. In the last term one could always hear the name of Zeke on the Tennis courts.

A special tribute is due Trev this year. The job of Head Prefect is not the easiest one in the School and it can't be done by just anyone. It takes superior character, undying effort and tremendous personality to do well; all these in one person is rare but Mr. Pattison's choice was not a hasty one. Trev was picked and filled the role so admirably that the boys now have a high mark to aim at. It takes courage and determination to do well and all of us agree that he did a good job. The Navy holds his attention in the future and this will be a real test for Trev but no one has any fear of what the outcome will be. He won't stop until he's reached the top. Buena Suerte amigo.

FRANCIS WILLIAM MORKILL.

Frank entered the Prep school in the winter of '34 and began immediately to gather friends from every corner of the establishment. From the start he showed himself a good sport and a great friend and before leaving the Prep he had made all teams possible, with honours.

On entering the Upper in '38, Frank again began his steady climb and reached what we thought to be his peak in '42. In this year he was an able sub for both senior hockey and football teams, surpassing all crease members in spirit. During this year he also met his first real opponent, McGill Matric. However although he lost the first round he has returned to win the second, we hope!!

This year '43, Frank has distinguished himself as one of the all round athletes in the School. He has not only played for the senior hockey and rugby teams but has lent his jovial and inspiring spirit to cricket and track. In the cadet corps Frank has become sergeant of number one platoon, having been a lance-corporal last year.

Frank has his eyes on the Navy and we all join in wishing him the very best of luck, though we need not worry for anyone of his calibre "shall neither flag nor fail" but is sure to make a success of life; and how!

W. C. P.

HAROLD DOUGLAS SHEPPARD.

In '36 Shep first arrived at B.C.S. and was destined to make a name for himself from the beginning. He quickly adapted himself to his new surroundings and at once started his climb to the top which he did in record time.

Shep has always been outstanding in games and in the fifth form played for three first teams. That was '40 and a big year for Shep. He was president of the camera club, secretary of the Debating Society, sergeant in the Cadet Corps, winner of the discus throw. He was awarded the physical training medal for outstanding work and was the Duke in Gilbert and Sullivan's Opera "Patience".

1941-'42 was no less active for Shep, he was made a head boy and promoted to captain in the Cadet Corps. He was on all first teams again and held all the offices of the year before. He won the school Senior 'All-Round' cup and was awarded numerous others including tennis, discus, cricket ball throw, and others.

This year is Shep's last and I think he is as sorry to leave as we are to have him go. I need not say that he has stood out even more prominently this year than last being O.C. of the Cadet Corps and he was promoted to prefect. In August Shep hopes to find himself in the Navy and we know that he will do as well there as he did here. Good luck Shep.

T. A. E.

WARD CHIPMAN PITFIELD

"Bono" entered the Prep School in 1935 and immediately fell into the swing of things by excelling in all sports and all scholastic activities that happened to cross his path. He made all teams at least twice and was the star of all the track events in those four years before he came into the Upper School in 1939.

This jump he took well, and quickly became a true friend and an ardent partaker in all that surrounded him. I will summarize his first three years in the Upper by saying that he made Juniors, Midgets and First Hockey Teams, Under Sixteen Cricket twice and, despite a shoulder injury, Under XVI Football. His track achievements deserve honourable mention too!

This last year of his, however, should be dealt with more fully. Due to his initiative and ability to bear much responsibility he was offered, and took, the position of being an assistant master in the Prep School. He is also a helpful Head Boy and a top-notch Platoon Commander in the Corps. In sports this year he made First Hockey again, played a good season in the line on First Football and will probably make First Cricket. In the track events that are coming soon it is safe to say that he will be the star if an injured knee will permit.

But "Bono" is not just a good athlete. He is a friend, a companion and a part of the "Old School" that we are surely going to miss him when he walks out of the front door for the last time. Good luck to you in whatever branch of the services you go into "Bono", and if you ask me I'd say that you cannot help being anything but a success!

F. W. M.

ROBERT BURRUSS CHRISTIE.

Bob came to us as a new boy from Selwyn House in 1939. One of the first things he did was to break a leg which ruined his activities for the first term. In the second

term however he made the junior ski team and in the spring he played cricket. In his neutral year he was on the Under Sixteen Football team, skied, played cricket on the Under Sixteen crease and was also a member of the Colour Party. In 1941 Bob made the second football team and was in the special platoon which went to Montreal for the Black Watch parade. In this, his last year at B.C.S., Bob was made Head Boy at Chapman's House and an excellent one he is. He was a sub on First Football team and was a mainstay on the line for second team. He was on the skiing and wood-cutting creases and in the Cadet Corps he was a Lance Corporal in No. 1 Platoon and was also a Corporal in the Ski Platoon. Bob was in the Colour Party this spring for the second time.

Bob is working hard for his matric and he is planning to enlist in the autumn and whatever branch of the armed forces he decides upon we are sure he will make good and we all wish him the best of luck.

P. J. A.

ROBERT HAMPSON.

Bob marched through the halls of B.C.S. in 1939, a timid new boy. Since then he has risen to the position of Head Boy, is a Corporal in the Cadet Corps, and champion miler in the School. It is in track that he really found his highest success, winning the cross country race this year and the mile last year. Bob has a very good chance of beating the school record this year and everyone is pulling for him. Besides this, he earned his first team colours in hockey after two years on midgets. This autumn he broke his wrist early in the football season ruining an almost certain chance of making first team.

Bob does not only star in athletics but last year he passed his Junior Matric and this year he is back so that he can next year enter the Naval College of Esquimaux. May he always keep his head out of water.

J. R. P.

JAMES RONALD PECK.

Jim entered B.C.S. in the fall of 1940 as a robust and jovial new boy. Since then he has shown a good nature and an excellent ability for leadership, which rewarded him this year with the position of Corporal in the Cadet Corps and a Head Boy in School House. He is also President of the Science Club and it is on account of his untiring work that the club was such a success this year.

However, Jim both likes and excels in sports, having made his first year, fifth team football, and the next, second team football. This year he was one of our most valuable players on first team where he played as a line man. All through the season he played a hardhitting game, showing true sportsmanship. He also played first crease hockey this winter.

Next year Jim is thinking of joining the Royal Canadian Air Force. Whatever he does and wherever he goes we feel sure he will do well and make many friends.

R. H.

MICHAEL IVAN HORNIMAN.

Horny arrived here from London in 1940 and proceeded to win the Junior All-round in Sports. Since his arrival he has been an enthusiastic and prominent member of the Dramatic Society, and has taken a keen part in all games. This year he capped his endeavours by being President of the Dramatic Society, Captain of the Cricket Team and a Lance-Corporal in the Cadet Corps. He was a Head Boy and the Literary Editor of the

School Magazine. Horny hopes to go back to England this summer, and we wish him all the best for his future.

G. H.

JOHN ANDREW FULLER.

Freddie first flew through the doors of B.C.S. as a lowly new boy. His outstanding characteristic seems to be his equal dexterity in handling a yo-yo and analysing Time and Fortune. In his first year, he was a member of the ski crease and ski platoon, and in cricket made the under-sixteen team. Last year he again skied and in the spring made First Team cricket. This year besides being a Head Boy, he made the ski team, was a Lance-Corporal in the ski platoon and is now in the gardening crease.

Freddie intends to be a psychiatrist. He is uncertain about next year but the general opinion is that he will again be striding up and down the halls of B.C.S.

H. G. H.

PETER JOHN AIRD.

Although only two years have passed since Pete first arrived here, he has become a Head Boy and a member of both First Football and Hockey Teams.

In his first year he was on First Crease Football but during one of the practices he had the misfortune to dislocate his shoulder which put him out for the rest of the season. He played First Crease Hockey, and First Crease Cricket in the last term. He was also a prominent member of the French Club.

This year he distinguished himself by making First Football and Hockey Teams, and half way through the first term he was promoted from Neutral to Head Boy. He was then moved from Williams' House to School House to be Head Boy in E Dorm., and after Christmas he was moved back again. He is a member of the Colour Party, Special Platoon and Science Club.

Pete is writing his Matric this June, and we wish him the best of luck in the Navy which he plans to join in September.

R. B. C.

JAMES HENRY JARRETT.

Jim came to us from the West Indies in January of 1939. Owing to injury, he has not been able to take an active part in many sports, but his first year he was made scorer for the First Cricket Team. He has kept this post, and is also Cricket Editor for the Magazine. The highest praise should be given to his ability to construct scale model ships, a hobby to which he devotes most of his spare time. Whether he returns to England to join the Royal Navy or comes back here, we wish him every success.

L. D. DeR.

SELWYN GWILLYM BLAYLOCK.

Spike, from Trail, B.C., started out in the Prep in 1937 and a year later entered the Upper. Since then Spike's chief anxiety has been exams, but by dint of hard work he has arrived at Matric. Nothing is new to him now and though he hasn't made any teams he has always been out to sports and done his best. With Spike not coming back next year there will be a gap in place of a cheerfully frowning face.

J. S. W.

DAVID GEORGE LORIMER.

Dave has been at B.C.S. since 1939. During this time he has been very popular and has done very well at sports, being on First Team Football this year, first ski team for three years and its captain this year. In '41 Dave was on Under-Sixteen Cricket. In the Cadet Corps he has advanced to the rank of Lance Corporal and was a Sergeant in the ski platoon this winter. Dave works hard at classes, intending to enter medicine at McGill. Good luck Dave.

J. S.

CHRISTOPHER ANDREW WANKLYN.

Wank came to B.C.S. in the preparatory school in '38. He entered the Upper the following year and then deserted us for a year at L.C.C. In '41, he was glad to be back in the fifth form. He does not claim to excel in the field of sports, but his talents run rather to the artistic, if that is what you call trumpet playing, for Wank can blow as solid a horn as you will ever hear. As to his plans for next year he has entered his application for the Royal Canadian Naval College and has just taken the entrance exams. We wish him the best of luck in the results.

H. T. M.

E. DOUGLAS TAYLOR.

Doug has been at the School since 1938. He spent two years in the Prep. School, where he made the soccer team, and came first in his class. While in the upper Doug was on the Bantam's hockey team, the fifth and Under-Sixteen Football teams. There he played very well in the position of inside. He has done well in class-work in all subjects, but this year he had very hard luck, for he caught bronchial pneumonia in this last term and it has cut a deep hole into his studies. But even so, with a little hard work he should get his Matric, he certainly has everyone's best wishes for good luck.

A. J. S.

JAMES SCARTH WHITEHEAD.

Another English lad came to us in the person of Johnny, in September, 1940. Entering Four-A he proved his ability in school work by coming near the top of his form and succeeded in doing so ever since. This year in Six Arts he has shown himself to be the Cicero of his form.

Johnny has always been a staunch supporter of Tyro Hockey, Woodcutting and Track Creases.

Though not sure about next year he hopes to go to Cambridge.

S. G. B.

GEORGE HURST.

George burst on to the School from Scotland in September, 1940, impressing everyone with his Scottish accent and skill at the piano. This accent has unfortunately gone with the years, but his playing is even pleasanter to listen to now than ever. He quickly made his mark at football, playing a magnificent game on first team all last season. He is bugle corporal of the band and as such is one of those chiefly responsible for its new tunes. Good luck George, you will be another Beethoven yet.

M. I. H.

HUGH THOMAS MACFARLANE.

Mac came to School in '40. He played football and hockey and also took skiing. That year he scored his first touchdown with a broken wrist. The following year he won his weight in boxing and paraded with the special platoon. Besides being treasurer he is an excellent speaker in the Debating Society. Mac played football this year on first crease and was full back with second team. He is a star runner; he came third in the cross-country and is running for B.C.S. in a track meet in Sherbrooke. This year he is again in the special platoon and has been chosen to carry the School colours for the parade.

Mac is planning to join the R.C.A.F. in September and his goal is to become a fighter pilot. We know he will do well but best of luck anyhow.

C. A. W.

HUGH GRAHAM HALLWARD.

Hugo arrived at B.C.S. in 1940 coming from the yellow and black of Selwyn House. At B.C.S. he has distinguished himself in class work and debating, as well as being the best authority on sports in the school. In his new boy year he won the Porter's cup for junior skiing, and made Second Team Cricket, incidentally coming first in his class. In his neutral year he was down at Chapman's House and made Under-Sixteen Cricket Team Under-Sixteen Football team, Midgets Hockey team and led his class for the second year in succession.

This year Hugh was made a Corporal in the Cadet Corps and went to Montreal on the Second Football Team. He intends to come back here next year to take his Senior Matric and we all hope that he will never have three strikes on him.

J. A. F.

LEOPOLD DAVID DEROTHSCHILD.

Leo came here from England in September 1940.

Since he has been here he has been an ardent member of the Dramatic Society and has also dabbled in the Science Club.

This year Leo is head Business Manager of the magazine and also one of the three gardeners. He has also written some stories in his spare time.

Whether he returns to the Seventh Form or decides to become an author we wish him the best of luck.

J. H. J.

ANTOINE JEAN STERN.

Antoine is a citizen of France and came to this school in 1941. This year he was right wing on one of the second crease football teams and did well in that position. This year he took skiing and learnt many new things. This term he is a member of the wood-cutter's squad. He has taken a great deal of interest in the Science Club and also in the camera club of which he is president.

He has done well in his studies, coming first in his form. He has just passed the entrance examinations to Harvard and is going there for the summer.

E. D. T.

EDWARD STANLEY CADENHEAD.

Ted entered B.C.S. as a new boy in the Fifth. During the Football season he distinguished himself by being promoted from Third Crease to Second Crease. At the same

time he held the position of base drummer in the Cadet Corps. In the winter Ted proved an active member of Second Ski Crease while in the spring he was in the Cricket ranks. He showed a keen interest in Photography and Carpentry and was a member of both these clubs.

"Blodge" played the Montreal L.C.C. game as a sub for Second Team and did well for himself on First Ski Crease. During the spring he started on Woodcutters Crease but left for Track Crease where he has been doing well.

Ted hopes to take a Naval Officers' course at Queen's and we all wish him the best of luck.

R. M. P.

JOHN WALTERS HOOPER.

John arrived here in 1941 from Scotland via the Bahamas. He made first cricket team as a new boy and also was on second crease football. He is an ardent member of the Debating Society and is a librarian. In Cadet Corps he jumped from recruit to Quarter Master Sergeant and is in command of the colour party. He hopes to go back to England this summer after getting his Matric., and intends to join the army.

C. J. B.

ROSS McKEAN PRESTON.

Ross arrived here two years ago as a New Boy in the Fifth. He started on Third Crease but was soon promoted to 2nd where he did well. He played on Tyros in Hockey and split his time between Cricket and Track during the summer term. Ross was an active member of both Science and Camera Clubs.

This year "Lem" stuck to Second Crease and played a game against L.C.C. with Second Team, as a sub. He again played Tyros in Hockey where he worked hard. This term he joined Woodcutters' Crease.

Ross is counting on joining the Navy when he leaves B.C.S. and we all wish him "Good Luck".

E. S. C.

CORTLAND JEROME BROWN.

It was in the year 1941 that Cortland found himself firmly entrenched in this school with the social standing of new boy. This year he has taken an active interest in all sports. This interest centring particularly in the ski platoon and the Track crease, of which he is the only member who dares to pole vault. The Band has greatly benefitted by his ability on the bugle and he has helped to keep the Science Club up to the usual high standard. After a year at McGill, Cortland's ambition is to join the Navy. So let us all wish him the very best of luck.

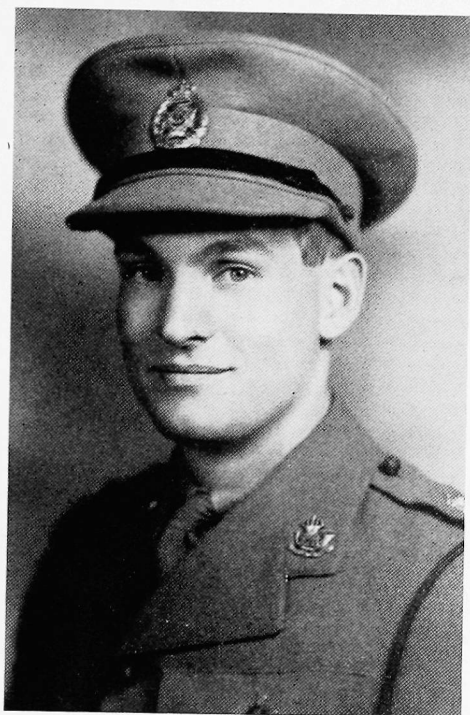

J. W. H.

JOHN W. SIFTON.

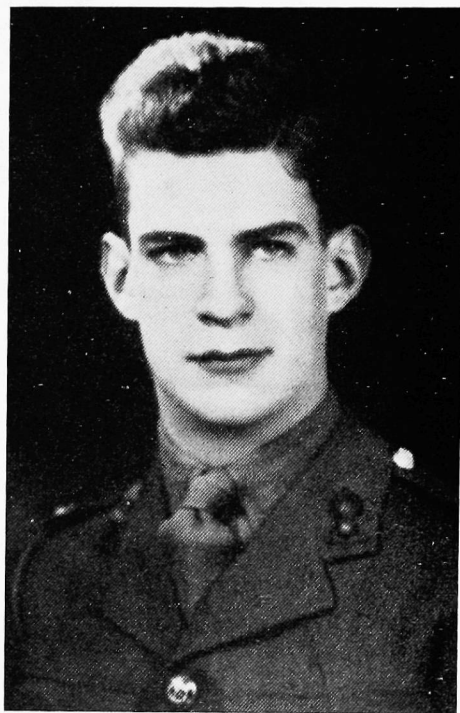

John came to us this year from U.C.C. and during the time that he has been with us he has done very well by making first Rugby Team, and Second Hockey Team. He is in the Cadets and is doing well in his school work. We all hope that John gets his Matric so that he can join the Air Force in the near future.

Good luck John.

A TRIBUTE FROM CANADA

Weep not, America, thy sons who gave
Their lives, their all, a broken world to save;
For thine the anguish and the bitter pain,
Theirs is great triumph and eternal gain.

So close the bonds which bind us to thy side,
We share thy sorrow and partake thy pride.

An Evening's Enjoyment

1. Last bell! Here's Boright rushing in,
Rushing with all his might,
While all the others in their seats,
Gaze spellbound at his plight.
2. For good old Lem's already there
So Boright's goose is cooked,
When Head-Boy Bill strolls calmly in
Bo yells that he's been rooked.
3. Tom Hodgson radiates with smiles,
And cries, "Who'll clean the floor?"
And as they cry their numbers out
Bob Taylor yells out "Four".
4. "The lucky winner!" shouts Lemieux
"You'll zilch the floor tonight!
You're lucky Smith, it wasn't you
For you were nearly right."
5. Now Stern is dreaming of a meet,
When he will win the race,
But mighty Hancock knows full well
That he will set the pace.
6. Our Mike is looking happy
(Most people do, asleep).
And Moffat's working mighty hard,
His place in form to keep.
7. P.D. Graham's looking round,
Searching for some palm-tree,
But the nearest thing that he can find
Is dear old friend, Loggie.
8. He thinks Don's head a coconut,
He lams it on the floor,
And but for Steve being on the spot,
Poor Don would be no more.
9. Now Steve's a very handy man,
Both sexes here agree,
The pictures he is gazing at,
Are proof enough for me.
10. Under Doc Struthers' desk you'll see
An unobtrusive book,
And Dobell also has one there,
If you ever chance to look.
11. Oh, yes! They are hard-working boys
So don't you get me wrong,
For this is just to let you know
What might be going on!

SPRING

Oh see, the lovely birch trees
Are once again in bloom;
Joyful birds in fifty keys,
Now safe from winter's doom.

Oh put me in the Townships,
When spring is coming fast;
When cruel winter's icy lips
Have left the ground at last.

Green is seen on every tree,
And daisies on the grass;
Cheerful warblers, singing free,
And flowers in a mass.

Here we see an earthy mound
Which the mole goes under,
Making not the slightest sound;
I can only wonder.

To sit here in the gloaming,
And feel the breath of spring;
To watch the sun, now setting,
And hear the swallows sing.

To leave, I feel I cannot,
With beauty all around;
I'd like to sit here till I rot,
And form an earthen mound.

for his aid to the ticket sellers, who worked miracles on our box-office receipts, and for the help Mrs. Pattison, Mrs. Moffat and Mrs. Page gave to the costumes. The highest praises must be given to our assistant director, Mr. Evans, and assistant directress, Miss Speid, and perhaps, most of all to Mr. Moffat who again shouldered most of the responsibility. We are unable to thank them enough for the work by which they made "The Housemaster" a success.

Printing Club

The Printing Club is the youngest club in the School, having been organized and put into operation within the last few months. We are very well equipped with two hand presses, several fonts of type, and all the necessary appurtenances. So far, the club, although in its infancy, has turned out some very excellent work, included amongst which were the tickets and programmes for the Dramatic Club's performance of 'Housemaster', school examination report forms, and Cadet Corps Inspection programmes. During one short period we printed private notepaper in many weird designs for about twenty-five boys. A few ambitious members have suggested that we print the school magazine. I am afraid however that it will be some time before we arrive at the necessary skill and patience for this almost herculean task. In the meantime, we are receiving a great deal of instruction and enjoyment from less ambitious projects. Mr. Pattison and Mr. Sauerbrei are in charge.

CARGOES

There are wild waves crashing
 Like the thunder of the guns,
 As they fall to madly lashing,
 At the ships of English sons.
 There are wild waves crashing,
 As they fall to madly lashing,
 But the ships they come a-dashing
 With the food for English sons.

Nature isn't heeded
 In the race to England's shore,
 For the food is badly needed . . .
 More than ever so before.
 Nature isn't heeded
 For the food is badly needed,
 So to England's shore 'tis speeded
 Though the mighty breakers roar.

There are submarines a-lying
 On the sandy ocean floor,
 But our planes are always flying
 And they sink them by the score.
 There are submarines a-lying,
 But our planes are always flying,
 So the ships go onward plying
 With the needs of modern war.

There are brave men cheering
 As the ships sail into port,
 For they know that help is nearing
 In the food those ships have brought.
 There are brave men cheering
 For they know that help is nearing,
 And the course the ships were steering
 Was a battle bravely fought.

TO THE MEN OF THE NAVY

Oh ye gallant sailors
 Who guard our ocean lanes
 Who sail the mighty hostile sea
 And keep our mighty life lines free.
 So modest of your pains
 Oh ye gallant sailors.

Oh never do ye rest

Hockey Foreword

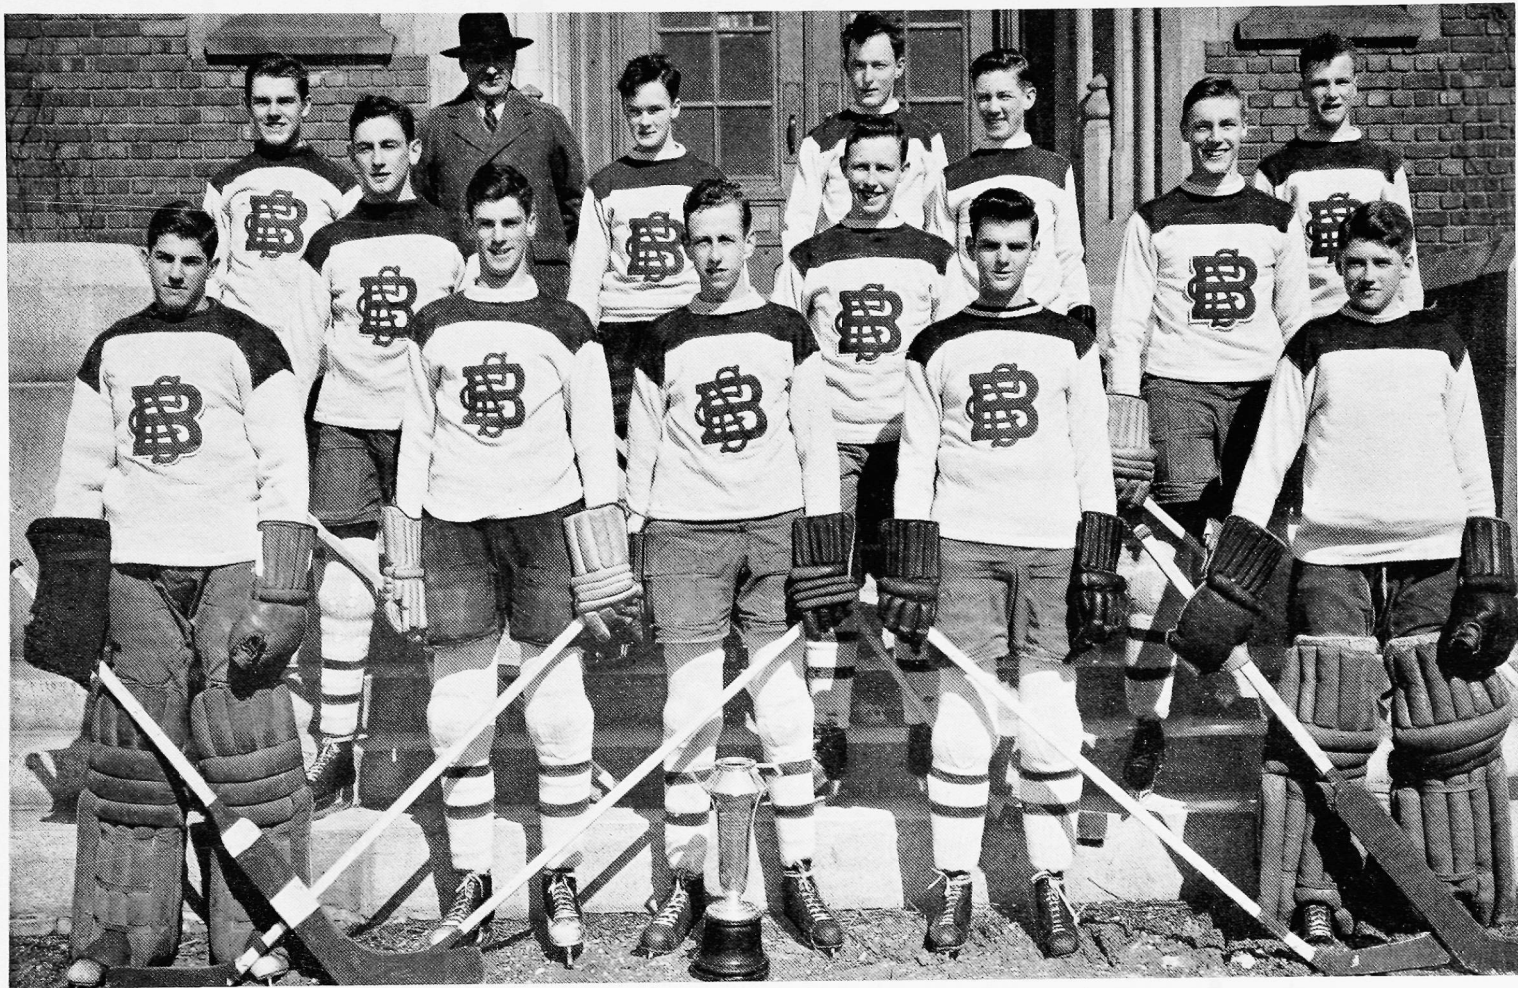

The School's chances for a clean sweep of all inter-school sports for the current year evaporated in the third period of the L.C.C. game. A very good Lower Canada team outplayed and outlasted us, and the loss was a disappointment, especially as we had run up a two-goal lead in the opening twenty minutes.

Apart from that game, we lost but one, a close decision to S.H.S. which was later avenged on Sherbrooke Arena ice; but for the second year running, we lacked the stuff of which champions are made. The team was big, fairly fast, and, make no mistake about it, they liked to play. Their victory over tough opposition in the Coaticook match showed that. On the other hand, the fine coordination which was an essential part of the rugby team's play was missing, and no amount of juggling seemed to produce the desired results. We trust that next year the lesson of the lean years will have been driven home, and that the A.O.B.A. cup will return to its place in the Dining Hall.

Highlights of the season were the abundance of good junior material developing, the Bantam's return to their own as District Champions, the enthusiasm of all squads, and the superb goaling of Bill Price, who earned himself a niche in Bishop's hall of fame. You'll comb the records and achievements of B.C.S. netmen for a good many years before you find his equal. Since he will be available for 1944, our holdovers and recruits have a chance to build a really good team in front of this most capable backstop. Once again, it is a pleasure and a satisfaction to record the School's thanks to the boys who refereed, timed, scraped, and tended the new scoring lights as well as the board, which were donated by First team boys. The Q.A.H.A. recognized the services of the referees by awarding crests to some of our Seniors, whose work elicited very favourable comment from teams which played here. The problem of flooding was largely solved by a faithful few who supplemented the caretaker's work at great personal inconvenience.

The long-range outlook appears to be good, what with a wealth of material having been developed in the Prep during the year, and the striking improvement in Bantam hockey, and we feel that if we can give Gerry Wiggett a larger flow of reasonably well trained players in the next few years, the lean years will be forgotten.

Speaking of Mr. Wiggett, we are reminded that many Old Boys on active service have referred to him frequently in the past year. One former hockey captain remarked, "Well, I've now played under five coaches, and I still consider Gerry "way above them all." We offer no argument to such sentiments, since eleven years of association with him convinced us, long ago, that he has few peers in the game. The School thanks you, Gerry, for another year of sound advice, patience, generosity and encouragement.

B.C.S. VERSUS RANGERS. WON 5-2

The School beat the Sherbrooke Rangers 5-2 in a game played on the School ice. The game was fast and somewhat close, though we had a decided edge. This was the first game of the season. The School started the scoring with a goal by Aird, which was closely followed by a Ranger tally, but our next goal scored on a long shot by Sheppard gave us the lead. The Rangers tightened up in the second period and managed to prevent us from scoring. We started to roll again in the third period when McBoyle scored at the beginning of the frame. The Sherbrooke team again came into the running when they scored a few seconds later, but this effort was wasted when another of Sheppard's shots found the net. Pitfield ended the scoring near the end of the period and the game ended with the score 5-2. There were no penalties in the game.

B.C.S. vs. WINDSOR MILLS. WON 2-1

The School won a close 2-1 game against the Windsor Mills Maroons. The game was played on Windsor Mills ice. Only three penalties were given out in the fast, cleanly played game. Price, in goal, was a standout for our team, and almost got a shutout. All the goals were unassisted. In the first period Sheppard opened the scoring by slapping in a rebound. This was soon followed up by a goal by Morkill. The second period ended in no goals being scored but was very even. In the third period the only Windsor goal was scored after a break-away, but the rest was played without incident.

B.C.S. vs. SHERBROOKE. LOST 4-3.

The School lost their only game of the Juvenile League in a fast game played at the School rink. The scoring was started by Sheppard from a pass from Pitfield, however the the next period resulted in two goals from the S.H.S. squad. In the third period, with a terrific amount of School spirit, the School romped through with two goals after being set back another two goals by Sherbrooke in the first few minutes. The School squad played a great game throughout but made their bid a bit too late. The game was very fast and clean and only one penalty was given out to Pitfield for tripping. Both goalies played a remarkable game and were called upon often to make brilliant saves.

B.C.S. vs. RANGERS. TIED 2-2.

The School fell victim to a two all tie after building up a two to one score at the end of the second period. The first period resulted in no goals being scored. After five minutes in the second period Sheppard lit the red light after a beautiful pass from McBoyle. However, the Rangers retaliated and after that the School again got a goal, this being scored by Pitfield after a rush from his own end. The period ended with the score two to one. After seven minutes of furious hockey a Ranger player managed to dribble the puck past Price. This score was the last of the evening. After that the School squad hemmed the Rangers back but failed to click. Price was miraculous at times when the Rangers got complete break-aways. The team on a whole played much superior hockey to their opponents but failed to click in the last period. The game was clean and very fast.

B.C.S. VERSUS STANSTEAD. WON 8-2.

This game was played on our ice and was won 8-2. Our team held the edge all through the game and only twice were the Stanstead players rewarded for their efforts. Our smooth passing plays gave us a decided advantage over our old rivals. In the first period Sheppard's remarkable shooting accounted for two goals which were soon followed up by Stanstead. In the second period Finley started off the scoring with a break-away. Then the smooth passing of Pitfield and Aird resulted in a goal by Aird. Then Sheppard again scored on a long shot. Pitfield led our attack in the third period by getting two unassisted goals, while our remaining goal went to Morkill. In the last minute of the game Stanstead got their last goal. The game on the whole was very fast and there were few penalties.

B.C.S. vs. SHERBROOKE. WON 4-1.

The School took a 4-1 decision over Sherbrooke High School in a game played at the Arena. The game was fairly close, but the School got off to a fast start and put themselves three goals ahead in the first period. Our first goal went to Aird on a pass from Evans. This was soon followed up with a tally by Lemieux assisted by Pitfield. The other score of the period came when these two reversed their play, the goal going to Pitfield. S.H.S. tightened up in the third period and we failed to score. Just before the end of the period S.H.S. broke away and scored. Only one goal was scored in the third frame, this came when Aird broke away, to score his second goal and put us ahead 4-1. Much credit is due to Price for his goal-keeping.

B.C.S. vs. WINDSOR MILLS. WON 7-0

The School came out on the long end of the score in a match played against Windsor Mills. The game was very fast and Windsor Mills fought bravely though the play was mostly in our favour. The first period opened fast and the play was fairly even until Pitfield scored about three quarters of the way through the period. The second period resulted in two goals which went to Sheppard and Pitfield. In the third period the School began to roll as the Windsor defence weakened. Sheppard scored his second goal of the evening just after the beginning of the period and this was followed up by a neat play by Lemieux and Finley which resulted in a goal by the former. A few minutes later Aird scored on a pass from Evans and with less than a minute to go Pitfield gave Evans a pass which he shot into the goal. The whole team played excellent hockey though Price in goal was exceptionally good and well deserved his shut out. The game was fast and clean throughout and only one penalty was given out.

B.C.S. vs. COATICOOK. WON 3-1

This game was played on our ice and there were many more penalties given out in it than any other game. The game was rather slow and was held up due to the penalties; it was also quite rough. There was no score in the first period until Boright scored on a pass from Morkill halfway. Just after the opening of the second period Aird broke through and scored unassisted. Coaticook tightened up after this and all our remaining bids were unsuccessful while Coaticook scored. About three quarters through the period Evans was hit by a puck on the ankle; this blow twisted his ankle and laid him up

for several days. The third period got off to a bad start when Morkill hurt his side. As the end of the period was drawing to a close Boright scored his second goal of the evening on a pass from Sheppard. The game was on the whole very rough and sixteen penalties were given out, five going to us.

B.C.S. vs. ASHBURY WON 5-0

The School in their annual game against Ashbury won a shut-out victory of 5-0 at the Lachine Arena in Montreal. The ice was excellent but in spite of this the game was slow. We had the play our own way throughout the three periods. Pitfield started off the scoring on a pass from Aird. We kept on pressing the attack but Ashbury prevented us from scoring till Boright broke away and scored. Two to nothing. Ashbury tightened up in the second period and prevented us from scoring till 20 seconds before the end of the frame, when McBoyle shot from short range after receiving a pass from Finley. Soon after the third period opened Pitfield broke away but his shot was cleared and Evans drove home the rebound. 50 seconds later Aird drilled in his own rebound to end the scoring. Only one penalty was called in the game, going to Sheppard in the second frame.

B.C.S. vs. SHERBROOKE RANGERS WON 10-1

In this high scoring game our passing plays were remarkable and an extreme pleasure to watch. The passes of the first line went especially well. We got off to a rather slow start but Evans broke away mid way through the period and the Ranger goaler had no chance on the shot. Pitfield started off the scoring in the second frame and it was soon after this that the Rangers got their only goal. Evans ended the threat that was thus made by scoring on a pass from Pitfield. Then Boright and Finley each scored unassisted goals in quick succession. Before the end of the period Pitfield passed to Sheppard and Sheppard's unerring shot found the net. In the third period the first line was outstanding and accounted for all the goals. The first was by Aird on a pass from Evans; this play was followed up by an unassisted goal by Pitfield. The complete line then had a marvellous combination of passes which resulted in Evans scoring. A few minutes later Evans scored his fourth goal on a pass from Aird. There were four penalties handed out in the game and these were shared equally between both teams.

B.C.S. vs. L.C.C. LOST 4-2

This was the hardest fought game of the season and though the ice was slow the play was fairly fast. Both teams had previously beaten Ashbury so this game was the most exciting one of the season, mainly because of our desperate attempts to catch up. In the first period Boright broke away and scored to put B.C.S. in the lead before five minutes were up. The score was two to nothing after Pitfield got the puck and, with only the goaler to beat, he scored. There was no more scoring in this period and L.C.C. scored soon after the opening of the second period. After that both teams settled down and kept each other scoreless for the remainder of the period. As the third opened it could be seen that it was going to be a hard fought game and this was more evident after L.C.C. scored to put the teams on an even basis a few minutes later. B.C.S. tightened up and tried with all their might to score and then L.C.C. scored again. This made us fight harder

and again and again we surged in on the L.C.C. goal. All our efforts were to no avail however and L.C.C. scored again towards the end of the period. A few penalties were given out.

MIDGETS HOCKEY TEAM, 1943

Back Row—J. G. PATRIQUIN, Esq., D. M. JOHNSON, A. R. C. DOBELL, D. R. STRUTHERS, E. M. BRONFMAN, R. W. SMITH
Front Row—D. N. STOKER, P. R. SATTERTHWAITE, R. G. McBOYLE, M. S. WALLACE (Captain), F. W. BORIGHT,
 R. W. STEVENSON, B. G. DAY.

MIDGETS 1943

This year the Midget crease started with seven of last year's players. Playing fourteen games, the Midgets won six, lost seven, and tied one. The team managed to get into the Q.A.H.A. Midget play-offs. The first game in the play-offs was against St. Pats at Sherbrooke. The Midgets won 4 to 2, with McBoyle getting two of the goals and Boright and Wallace getting one each. The second game was played on the School rink. This time St. Pats came back strongly to win 6 to 3. Wallace got two goals and Boright the other. St. Pats won the series by total goals and the Midgets were eliminated from the play-offs.

During the season the Midgets lost three games to Lennoxville High School. The scores being 3 to 2, 7 to 4, 5 to 3. The second game of the season was played at Sherbrooke against the Rangers. The Midgets lost 4 to 1, but retaliated strongly at the home game, to win, 4 to 1. The first game with St. Michael resulted in a draw, with the score 5 to 5. The return game was very close with the final score being 3 to 2 for St. Michael. The game with the Sherbrooke Air Cadets, which was the first game of the season, resulted in the score 2 to 1 in favour of the Midgets. The last two games were exhibitions, against Sherbrooke High School. The score of these two games were 3 to 2 and 2 to 1 in favour of the Midgets.

Before the first game Wallace was elected Captain. Satterthwaite played defence and got four goals and four assists to his credit. Stevenson, who was the other defenceman,

proved to be very efficient and was always to be relied upon in case of a rush. Boright played right wing and he led the scoring with twelve goals and two assists. McBoyle played centre and got eight goals and four assists. Wallace played left wing and got six goals and five assists. Smith played centre on the second line and got one goal and two assists. Dobell who played in only seven games on account of illness got three goals and one assist. Johnson played left wing on the second line and got two goals and one assist to his credit. Struthers played right wing on the second line and Bronfman made a useful spare. Stoker, who played in the goals, had the average of 3.4 goals per game. Day who was the other goaler had the average of 2.5 goals per game. Half way through the season Day was absent from the team on account of illness.

The following were given colors; Stoker, Day, Satterthwaite, Stevenson, McBoyle, Wallace, Boright, Smith, Dobell, Struthers, Johnson, Bronfman.

BANTAM HOCKEY TEAM, 1943. Q.A.H.A. DISTRICT CHAMPIONS

Front Row—R. W. McCREERY, W. D. SWEENEY, R. H. PITFIELD (Captain), H. L. PRICE, A. S. H. BLACK, J. W. WINDER.
Back Row—C. A. ROEBUCK, Esq., V. R. BENNETT, R. J. FORD, R. J. BYLES, R. C. HOWARD.

BANTAMS

The Bantams concluded a successful season by winning the Eastern Townships Divisional Championship of the Q.A.H.A. Against their league opponents, Lennoxville High School, Prep., and the Fifth Sherbrooke Boy Scout Troop, large scores were rolled up and no games were lost. The playoffs against St. Pats, consisting of home and home games, were both won 4-0. The shooting of the first line, Pitfield (Captain), Price and McCreery was very effective and was well backed up by Ford and Howard on defence and Winder in goal. The second line, Black, Sweeney, Bennett and Byles developed well throughout the season. The high scoring honours of the year went to Pitfield.

SKI TEAM, 1943

Front Row—T. HODGSON, J. TYLER, D. LORIMER (Captain), D. PHELPS, J. FULLER.

Skiing

B.C.S. entered both senior and junior five-man teams in the Eastern Townships Interscholastic Meet at North Hatley on Feb. 6th. The Senior Team won the Senior Team Aggregate Cup, and Tyler placed 1st in both Slalom and Downhill, and won the Senior Individual Aggregate Cup.

Individual scores for the combined events were: 1st, Tyler, 294.2 points; 2nd, Phelps, 286.2; 4th, Hodgson, 274; 5th, Lorimer, 271; 6th, Fuller, 258.

Sherbrooke High School took the Junior Team Aggregate Cup with the B.C.S. team running second, but Boyd with 3rd place in the Slalom and 2nd in the Downhill won the Junior Individual Aggregate Cup. The Junior Team consisted of Boyd, Taylor (R.), Neill, Walls and Janner. Williams had been listed as fifth man, but was unable to compete owing to illness.

On Feb. 28th eight boys competed in the Slalom and Downhill events of an open meet organized by the Mount Pleasant Ski Club and run on the trails of the Hillcrest Ski Club. In a field of 33 in the Slalom B.C.S. took the following places: 1st, Phelps, 2nd, Lorimer; 6th, Davis and Fuller equal; 7th, Hodgson and Tyler equal; 12th, Huggett, and 14th Boyd.

In the Downhill, with 36 entries, Tyler placed 3rd; Phelps and Hodgson 7th; Davis 16th; Boyd 18th; Lorimer 19th; Fuller 21st and Huggett 28th.

The annual L.C.C.-B.C.S. meet for the Cochand Cup took place on the 6th of March and was won by B.C.S. by a narrow margin. The Cross-Country was run along the banks of the St. Francis above the School in the morning. B.C.S. won this event comfortably, Lorimer coming 1st and Phelps 2nd, Davis 4th and Hodgson 5th; Huggett 7th and Mackenzie 8th, Tyler 10th and Fuller 11th.

The other two events were run on the trails of the Hillcrest Ski Club. Tyler placed 1st in the Slalom, but L.C.C. took the next four places and the event.

In the Downhill Tyler placed 2nd, Lorimer 3rd and Phelps 5th, and again L.C.C. won the event, but by less than two points in the hundred.

In the individual scoring Tyler topped the list with 289.6 points, followed by Sutherland and Walby, both of L.C.C., with 275.2 and 261.8 respectively.

The B.C.S. team was made up of Lorimer (Captain), Phelps, Tyler, Davis, Fuller, Hodgson, Huggett and Mackenzie, who have been awarded First Team Colours.

The ski creases in general consisted of about forty boys, and Tyler's efficient coaching of First Crease showed up in various competitions. The Whittall Cup (Senior) for all-round proficiency in school and interschool competitions goes to Tyler, the Porteous Senior Ski Trophy for the best skier not on the Ski Team goes to Butler, and the Porteous Junior Trophy for the best junior age skier to Boyd.

SKI PLATOON

The Ski Platoon deserves congratulations for its hard work in training for a scheme at North Hatley, though on the day fixed for the event the weather made manoeuvres impossible and the scheme had to be cancelled.

George Huggett was company commander for the three schools participating (B.C.S., Sherbrooke High and Stanstead College), and Jack Davis was platoon commander. They worked exceedingly hard to raise the platoon to a high standard of efficiency.

The platoon was issued with regulation white parkas and packs, and carried out many exercises complete with slung rifles and loaded toboggan—the toboggan teams under the direction of Lorimer (sergeant) became quite expert. The platoon was prepared to construct a military bivouac and produce hot soup and cocoa for the whole company on the day of the scheme. About ten cadets were equipped with home-made snowshoes. Thanks are due to Dodds, who, although not in the platoon, spent considerable time inventing and splicing rope harnesses for the toboggan.

Track Notes

B.C.S. HEADS INTER-SCHOLASTIC TRACK MEET

TRACK MEET AT SHERBROOKE, MAY 29

The Eastern Townships Track Meet formerly held at Stanstead was sponsored this year by the Y's Men's Club of Sherbrooke and held there on the Parade Grounds. Eleven schools competed with about one hundred and twenty-five entrants. The B.C.S. Team proved to be generally strong in each of the age classes and made eighty-six points to win the meet and a trophy presented for the first time this year. Stanstead was second with

fifty-six points and Sherbrooke High School third with fifty-three points. For B.C.S. Stearns in the Midget Class, Janner in the Junior, Price in the Intermediate, and Macfarlane and Sifton in the Senior were the high point makers, but everyone on the team deserved full praise for the spirit and energy which was shown. This was exemplified by the performance of the relay teams which won two firsts and three seconds in the five relay events on the program. In the Senior 220 Yard Dash, Macfarlane and Tyler placed first and third and again in the open mile the School had two men out of the first three, with Hampson first and Whitehead third. In all, ten firsts, ten seconds and eight third places were taken.

Dr. C. H. Roebuck's efforts in coaching and managing this team also deserve mention. In the little time that he had before the meet he did a very good job in gathering together a team from the small group that make up the Track Crease and assigning them to the classes and events to which they were best suited.

Cricket

Our two School first team games, those against Lower Canada College and Ashbury, are arranged for June 4th and June 5th respectively. Consequently, neither of them have been played at the time of going to press. Since the weather allowed us to start in May, both the Under Sixteen and the First Crease have put in a lot of practice, the first under Mr. W. F. Lowndes, a newcomer to the staff this year, and the latter under Mr. Pattison. Michael Horniman was elected cricket captain. Up to the present, first team places have been assured by Horniman, Sheppard (the Grand Old Man of B.C.S. cricket) Price I, Hooper, Pitfield I, Sewell, Smith and Finley. The other places still remain to be filled from several likely candidates.

UNDER SIXTEEN CRICKET

The team lost to the Masters 71 to 22 and those from the crease who were in the Prep last year won and lost to the Prep by scores of 128 to 41 and 14 to 27 respectively. Ford was promoted to First Crease during the season and Day and Pitfield are showing as excellent prospects. The following gained under sixteen colours:—

From *The Gazette*, June 5th, 1943:

BISHOP'S SWAMPS L.C.C.

COLLEGIAN CRICKETERS LOSE BY 107 TO 22

Bishop's College School defeated Lower Canada College yesterday by 85 runs, the scores being 107 against 22 in a cricket match at Royal Avenue grounds.

Batting first, B.C.S. lost six wickets for eight runs but the tail hit out vigorously and ran the total up to 107.

L.C.C. were not nearly aggressive enough and collapsed for the paltry score of 22.

The Standard, June 6th:

Bishop's College and Ashbury College met for their annual game at Lower Canada College grounds.

Bishop's batted first and scored 75 runs, Price, Sheppard, Harper and Horniman being the principal scorers. Ashbury's first innings produced 49 only. Sheppard, with seven wickets for 10 runs, was hard to play. Despite the low score Cole managed to gather 22 for himself before being bowled by Sheppard.

Bishop's second innings produced 94 and with 26 surplus from the first innings Ashbury would have to make 121 to win.

SHIRLEY RUSSELL CUP

PREP. SKIING *By White*

This year there were as usual three creases and the same enthusiastic skiers, but the weather was not kind to us at all, for we did not get much snow after the 12th of February. In spite of this, we used the new trail which was constructed in the autumn, thanks to Mr. Glauser who was in charge of it and did the most work.

Some afternoons when the weather and also Mr. G. permitted, we went to the Flying Kilometre, a long hill about two miles from here. Some boys call it by another name because all one sees on the way down are clouds of snow and a blur of flashing trees. But this is not all our skiing. Great was the excitement when Mr. Page solemnly announced that the following day would be a whole holiday. Loud was the laughter when the Prep masters returned to their rooms with forlorn faces. Some boys said that they were even weeping. We couldn't stop talking about the "Whole". The next day could not have been better. It took all the master-on-duty's attention to keep us in order. At 10 a.m. we clambered aboard three taxis and rolled merrily off waving good-by to Chummy, the Prep mascot. When we reached Hillcrest we all made grabs for skis in the trailer. The adjusting of harness was done very impatiently, accounting for some badly-fitting skis.

We ascended the hill and arrived at the club-house which was lent to us for the day. We found some fast and snappy trails leading from the ski hill to the club-house. Lunch consisted of sandwiches, milk, cocoa, apples and oranges consumed to the accompaniment of gramophone records found in the dining room. These, meaning the records, were much disliked by Mr. G. and Pitfield.

 C. C. BALLANTYNE

In the afternoon we were allowed to use the ski-tow. So we grabbed the rope frantically and waited anxiously for it to start. At last the workman got the snow off the machinery and away we went to the top—that is, some of us. The rest fell off into the soft snow at different heights. All the afternoon we skied down the long slopes and up again on the ski-tow.

Only two taxis arrived when we were ready to depart for School. We came across the third one deep in a ditch. We assisted the driver in pulling it out with a rope.

A very tired lot of Prep boys crawled in between the sheets that night and asleep immediately.

The only race we were able to run this year was the cross-country. The results were as follows:

- 1st. Stearns. Time 24 min. 20 sec.
- 2nd. Lindsay Hogg. 24 min. 45 sec.
- 3rd. White. 27 min.

HOCKEY

After the passing of a very successful soccer season, we all came back from our Christmas holidays looking forward to hockey. This year's team was better than last year's, but we owe it all to Mr. Farthing and Bono Pitfield, who did great work in getting the team together.

The season commenced with a victory over Lennoxville High by a score of 2-0. We then defeated the Sherbrooke Rangers on their own ice by a score of 3-1. Eventually

we came second in the league, defeating all other teams except the Upper School Bantams. We also lost our second game against Lennoxville High, 3-2, but we later retrieved our laurels by defeating them in a third game by 2-1. It was this game that gave us our second place standing in the league as we had already defeated the Sherbrooke Rangers in a second game by a score of 4-2. Our losses to the Upper School Bantams were by scores of 6-2 and 4-0.

D. MONROE and D. HUGGETT.

TRACK

On Saturday, May 29th, the Prep. is sending a track team to compete in an inter-school track meet at Sherbrooke, where they will run and jump against eleven other schools. Five boys in all are representing the Prep, and in the following events:

- (1) 50 yard dash—Stearns and Rider.
- (2) Broad jump —Stearns and Rider.
- (3) High jump —Stearns and Hutchison.
- (4) Relay race —Stearns, Boswell, Rider and Huggett.

We all hope they do well and wish them all success. The team has been coached by Mr. Farthing.

D. M. and D.H.

CRICKET

Although the annual game against Selwyn House has been called off this year on account of the war there is every prospect of the Prep. turning out a good cricket team. There are three creases as usual, Mr. Farthing taking the first, Mr. Page the second and Mr. Glauser the third. We have played one match against the Upper old Prep boys who beat us by the score of 122 to 51. Two boys, Pitfield and Ford, scored 120 of the Upper's 122. We hope to give them a closer game next time. There have been many exciting crease games and also games between sides composing all creases.

Boys on First Crease are: Cohen, Ballantyne, Coghill, Gordon, Huggett, Mitchell, Monroe, Rider, Scholes, Sheard, Stearns, Stewart-Smith I, van Millingen, White, Winslow.

Of these White, Stearns, Stewart-Smith I, Cohen, Rider do most of the effective bowling.

In second crease, Cresswell, MacDougall, Milling, Monier-Williams and Whitehead II show the greatest keenness and promise.

Third crease is always interesting to watch. The youngsters are certainly enthusiastic even though they lack skill at present.

W.A.P.

TRACK—LATE STOP PRESS NEWS

The results of the Inter-school Track meet in Sherbrooke are now to hand.

Stearns gained first place in both the Long Jump and the High Jump and the Prep relay team came second in the relay. Congratulations to these boys and to the Upper who easily finished first at the meet.

REMOVE'S INSPECTION OF AN ORGAN

On Wednesday morning, May 19th, instead of our usual classes Remove went to Sherbrooke to inspect the organ at Trinity United Church. After we had examined the interior, which was made up of pipes of all sizes, Mr. Havard showed us two different types of pipe which he had removed from the organ. We each then had a chance to blow the pipes and were shown how they worked. All this made a very interesting morning and we all appreciated it greatly.

W. BOSWELL.

CHOIR HOLIDAY AT HILL CREST

One Thursday morning in the summer term (May 20th) the sun was streaming in through the dorm window. Everybody was thinking of the Choir Holiday because Mr. Page had said the night before that if it was a nice day there would be a choir holiday. It turned out to be a very nice day with a warm sun.

About ten o'clock Mr. Glauser led the bicycle party off. After half an hour's ride on the highway we came to the turn-off for Hill Crest. It was a bumpy mud road.

The farmhouse was very nice, and so was the farmer's wife who gave us all a drink. When Mr. Page and the two taxis arrived we climbed up to an open place on the top. Dinner was cooked and everyone ate all he wanted. As soon as dinner was over some boys asked if they could go and see a copper mine which they had passed on the way. Others went exploring while the rest played baseball at the camp.

At four o'clock the bicycles left for their long ride back to school. The taxis left a little while later and all arrived at the school safely.

ATHOL GORDON.

THE 24TH OF MAY

Our Empire holiday was spent as joyfully as any holiday could be spent. Fairly early on Monday morning everyone was riding enthusiastically around on his bicycle, anxiously waiting for the trip to begin. The weather was beautiful.

It had previously been arranged that we were going to North Hatley, a small town about eleven miles away, lying snugly in a valley, with a lake on one side and a hill on the other.

Soon Mr. Glauser, clad in shorts and shirt, appeared in the doorway and gave us each a small parcel containing two sandwiches and an apple. Then, after we had packed these away somewhere, we started off.

The ride over was without incident except for two short rest periods, and we all arrived at our destination safely, but all so terribly thirsty that we bought some soft drinks at a little shop nearby. We decided to go around the lake and have our lunch somewhere on the shore. To get there we had to go along the railway tracks; so we half rode and half walked along the edge. Shortly we came upon a nice sheltered spot right beside the water. We put our bikes in the shade of some trees and proceeded to eat our lunch.

After lunch we all wanted to go for a swim, but, as the water, unfortunately, was still too cold, we could not go in. After playing about for some time we wended our way back, stopping at the shop again to buy some more drinks and candy.

We took it very easy going back, and the journey was quite uneventful. As most of it was downhill, we arrived back in Lennoxville quite soon.

After supper at the School Mr. Glauser built a huge bonfire out of the brushwood got from the trail last autumn. Some boys from the Upper School came over and brought with them fireworks and rockets and other things that go bang. When the fire had burnt low and the supply of fire-crackers exhausted, we went to bed and were soon in heavy slumber.

MICHAEL PAGE.

THE PREP. LIBRARY

We would first of all like to thank Mr. Glauser for his able direction of the Library and especially for the work that he did in repairing and cataloguing all the books and in starting an index system. Since the beginning of the year the Library has received gifts

amounting to some 200 volumes, as well as many magazines and Big Little Books. We should like to thank the following boys for their gifts of books and we should like especially to thank Mrs. Allen Boswell for a particularly large and welcome donation:—Boswell, Furze, Whitehead, Gordon, Brodeur, Ballantyne, Scholes, Monroe, Page II, Huggett, Jekill I and II, Lawrence I and II, Coghill, Sheard, MacDougall, Milling, McMichael, Mitchell, Pestalozzi, Porter. We should also like to thank Peter and John Moffat of the Upper School for books which they have given, and Mr. Evans also, for eleven books from the Upper School Library.

P. WINSLOW.

THE CAMERA CLUB

Thanks to the great help of Mr. McMann a camera club was started in the second term and now has enrolled some twenty members. If it had not been for Mr. McMann the Camera Club would not have been.

At first we had only one developer, Coghill, but then Jekill I learnt how and is now very keen.

Our officers are: President—Coghill.

Vice-President—Monroe.

Secretary—White.

Treasurer—Page II.

Chairman—Mr. McMann.

TOBY COGHILL.

SUGARING

This year Jekill I and II spent their Easter holidays at the School. One day when they were playing in the woods with Pattison one of the three thought it a good idea to tap some maple trees and make some syrup. At first they tapped only a few trees with hammer and nail, but later they thought they should get a drill and some spouts and tap a larger number. Pattison supplied the drill and they cut spouts from tins which they got from the dump and which they washed at Pattison's house. They then began to bring in quite a lot of sap, and later, after the rest of the boys had come back to school, they with the help of Mr. Glauser and some further boys, boiled it down into very good maple syrup which was much enjoyed for several meals.

PETER JEKILL.

THE PREP. VICTORY GARDEN

At the beginning of this term, after the boards had been taken down from the rink, we began making a Victory Garden on the spot where the rink had been. For a week or more the three cricket creases took turns in working on the plot from day to day; then, after the work was well advanced, it was handed over to the Upper boys who were doing fatigues. We all hope that the Victory Garden will be a success so that, as Mr. Page says: "Maybe we'll be able to get a carrot or two!"

ED. WHITEHEAD.

SUNDAY NIGHT SUPPERS IN THE COMMON ROOM

Every boy in the Prep. owes a very real vote of thanks to Miss Reynier for the delightful suppers we had throughout the Lent Term and part of this term.

REMOVE.

THE PREP. AT THE INSPECTION

This year we were unable to have the annual cadet corps inspection on our own field owing to rain, so it was held in the Sherbrooke Armoury instead. After lunch on May 26th, we were piled into army trucks and had a bumpy but exciting ride to Sherbrooke where we jumped out and lined up. After the usual drill, the Inspecting Officer,

Col. C. G. M. Grier, in his speech to the boys made the following complimentary mention of the Preparatory School: "I have never seen such an efficient and complete attachment to any Cadet Corps as the Prep. School. Their showing was excellent and they are an honour to the School." He ended his speech by asking for a half-holiday which was celebrated the next day to the delight of everyone. W. BOSWELL.

We thank Col. Grier for this tribute to the Prep. school. The fine showing of the boys reflects great credit upon Freddie Rider who issued his orders with precision and clearness. For a boy of 12, he showed remarkable alertness in directing the Prep. squad through movements to which they were unaccustomed owing to the limited space allotted to them in strange surroundings. In addition, the assiduous work of Miss Reyner, the Prep. matron, who turned them out so "spick and span" contributed very largely to their smart appearance. Cadet Lieut. Pitfield, Cadet Sgt. Finley and Cadet Cpl. Fuller also assisted in moulding them into such good shape. W. A. P.

Music

The Preparatory School took a prominent part in the rendering of "The Messiah". Twenty-nine boys made up the greater portion of the trebles. Their singing of the difficult choruses was very creditable, and Boswell was excellent in many solos.

The following boys are taking part in the recital of piano-forte pieces arranged by their teachers, Mrs. Robert Bell and Prof. Havard on Saturday, June 5th. Boswell, Brodeur, Cresswell, Dawson, Gordon, Lawrence I, Pattison, Scheib I, Sheard, Spafford, Stearns, Stewart-Smith I, Whitehead II.

Back Row: W. C. PITFIELD, D. LAWRENCE, T. CRESSWELL, T. COGHILL, C. MILLING, A. GORDON, P. COHEN, W. A. PAGE, ESQ.

The Soul of ancient France arose from the graveyards of the sea;
And she hailed her mighty fleet and said, "What shall your choosing be—
Death or Dishonor?" Quoth the Fleet, "It is always death with me."

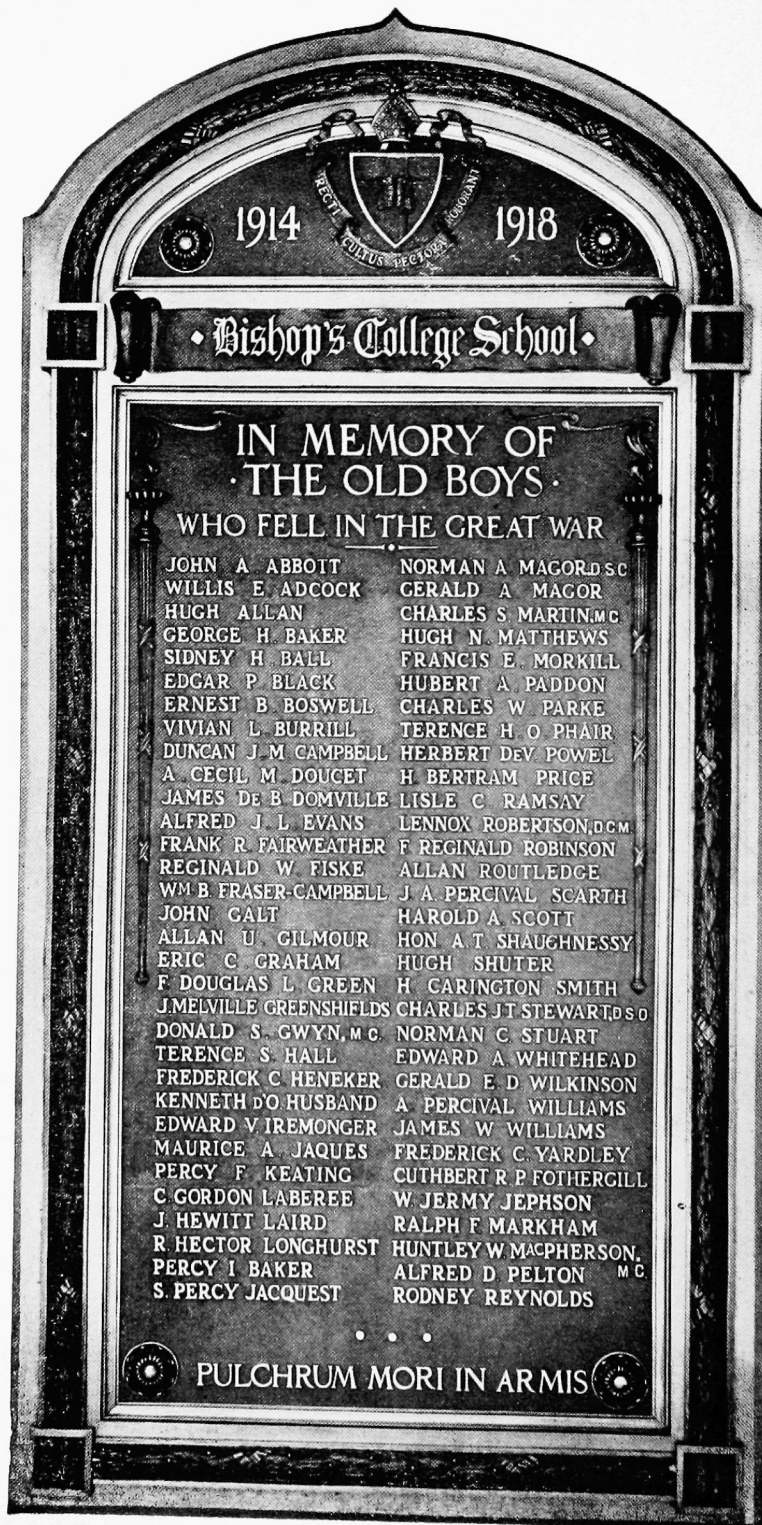

So the ships, all proudly riding, at anchor, one by one,
Shook Heaven and Earth with thunder, as they blackened Sea and Sun—
Each captain standing on his bridge, each seaman by his gun.

Then down they plunged, the giant hulls to their rest on rock or sand
Where covering waves will shelter them and guard them from the hand
Of monsters and of tyrants who had befouled the land.

O France, the wild seas rage and foam above the silent dead,
But in thy heart are pride and tears, the tears which are not shed
Where heroes crowned with glory sleep and God's wings overspread.

KNATCHBULL-HUGESSEN. Suddenly, at Montreal, P.Q., on Saturday, December 19th 1942, Kenneth Wyndham, aged 17 years, second and dearly beloved son of Senator and Mrs. A. Knatchbull-Hugessen.

The Gazette:

EAST ANGUS FLIER KILLED IN CRASH

LAC. HENRY GRINSTAD IS VICTIM OF PLANE ACCIDENT NEAR OTTAWA

The crash of a Harvard training plane at East Templeton, Que., six miles from Ottawa, took the life of LAC. Henry Grinstad, 22, only son of Mr. and Mrs. H. Grinstad, of East Angus. F/O. T. Delaney, of New York and Ottawa, instructor in the plane, parachuted to safety and was only slightly injured.

The victim, who was stationed at Rockcliffe, was due to receive his wings in two weeks. He had been a member of the R.C.A.F. for approximately three years and had recently remustered to air crew. He had previously trained at Moncton, N.B., Victoriaville, Windsor Mills and Ottawa.

His father, H. Grinstad, is a well-known figure in the paper industry, being general superintendent of the Brompton Pulp and Paper Company.

LAC. Grinstead was born in East Angus and received his education at Bishop's College School, Lennoxville, and Queen's University, Kingston.

RANDOLPH C. EATON KILLED IN TUNISIA

AMERICAN FIELD SERVICE AMBULANCE DRIVER ATTENDED BISHOP'S COLLEGE SCHOOL

Randolph Clay Eaton, 21, volunteer ambulance driver with the American Field Service in Tunisia, has been killed at the Mareth Line, according to word received by his mother, Mrs. Charles F. Eaton, of Boston.

"Randy" Eaton attended Bishop's College School in Lennoxville from 1935 to 1939. He had an outstanding athletic record and was well known in Montreal.

He joined the field service last summer after leaving Bowdoin where he was a member of the class of '45. The field service was officially attached to the British Eighth Army and he took part in Gen. Montgomery's "big push" which started in November.

His father, Lt.-Cmdr. Charles F. Eaton, U.S.N., is on active duty in the Panama Canal zone. He has one brother, Richard, who is attending Proctor Academy.

SERGEANT PERCY LESLIE

A son of Mr. and Mrs. W. S. Leslie, of 4309 Montrose Avenue, Sergeant Leslie is missing since July of last year, on air operations overseas. Sergeant Leslie is 24 years old and was educated at Bishop's College School, Lennoxville, and McGill University, from which he received his degree in commerce after joining the R.C.A.F. in October, 1940. He has been overseas since December, 1941. His brother, Wilson, is also in the R.C.A.F.

H. DOMVILLE IS REPORTED JAP PRISONER

Missing for more than fifteen months, Sqdn.-Ldr. Henry deGaspe Domville, R.A.F., of Montreal, is now known to be a prisoner of the Japanese, according to a telegram received from Ottawa this morning by his parents, Mr. and Mrs. J. W. Domville, 1227 Sherbrooke St. West. The message stated that his name was mentioned in a Japanese broadcast in English, heard in Australia, as a member of the R.A.F. being held prisoner of war.

Sqdn.-Ldr. Domville was reported missing by the R.A.F. on February 20, 1942, when he was attached to a R.A.F. squadron in Batavia, Java, as intelligence officer.

CITED FOR SERVICE—

On January 21, 1941, he was mentioned in dispatches for gallant and conspicuous service rendered at the evacuation of Dunkirk. At that time he was wounded when his reconnaissance plane crashed in the West of England, killing other members of the crew.

The summer before war was declared, Sqdn.-Ldr. Domville was in Germany and on the eve of war he got out of Munich to England through Italy. He offered his services to the British Government and because of his knowledge of languages, was posted immediately to the R.A.F. as intelligence officer.

Sqdn.-Ldr. Domville was educated at Bishop's College School, Lennoxville.

MAJOR DOUCET IS PROMOTED
(B.C.S. 1923-'25)

LIEUTENANT-COLONEL, 35, O.C. OF PERTH REGIMENT

Still another of the original Black Watch First Battalion officers of the present war has reached battalion command, it was disclosed today with the promotion of Major H. E. T. Doucet, 35, to command of the Perth Regiment with the rank of Lieutenant-Colonel. A younger brother, Lieut. Lyell B. Doucet, is overseas with the Black Watch.

Colonel Doucet had 13 years service with The Black Watch before being transferred to the Perth Regiment, joining the famous Montreal Highlanders from Royal Military College in 1929. On the mobilization of the First Battalion, he received an appointment and was sent to England in March, 1940, for the course at the Staff College, Camberley. In November, 1941, he was placed in charge of the course on tactics at the Royal Military College, but in October of 1942 returned to England to become brigade major of the First Canadian Infantry Brigade. He is a son of R. Pothier Doucet, of 18 Weredale Park.

The Montreal Star, February 6, 1943.

COLONEL AT 24
LIEUT.-COL. R. MONCEL (B.C.S. 1927-'34)
YOUNG OFFICER ONCE WITH VICS

NOW COMMANDS ARMoured REGIMENT

Believed to be the youngest lieutenant-colonel in the Canadian army, Major Robert Moncel, 24, son of Mr. and Mrs. Rene Moncel, of St. Bruno, has taken command of an armored regiment overseas.

Twenty-five years old next April, Colonel Moncel was accounted the youngest brigade major in the overseas army when given that appointment last year. It was then reported from Britain that his choice for the job with a Canadian army tank brigade was in line with the policy being followed of placing brilliant young soldiers in important posts.

He was with the Victoria Rifles of Canada from 1934 to 1937, and served with the unit on internal security duties at the outbreak of the war. Like many other officers and other ranks, he left the unit when it was returned to its Reserve Army status late in 1939, and went to the Royal Canadian Regiment, which he joined overseas in 1940.

His rise overseas to command of one of the hardest-hitting units of the Canadian army has been meteoric. He was at corps headquarters doing work as liaison officer between corps and British General Headquarters in England when the tank brigade commander went overseas last spring.

They met, and when Colonel Moncel was attached to the tanks he helped work out arrangements for the arrival of the brigade with such success that he was made a General Staff Officer, grade 3. When Major John Andrews, of St. Thomas, Ont., was named commander of a tank regiment, Colonel Moncel was given the job of brigade major to succeed him.

Colonel Moncel was educated at Bishop's College School, Lennoxville, and was attending McGill University, taking commerce when he joined the Victoria Rifles.

MAJOR COLIN RANKIN, is chief air liaison officer in a new army co-operation squadron, formation of which is announced in Ottawa.

Montreal Star.

CAPT. R. K. BOSWELL COMMANDS SAPPERS

News has been received here that Captain Boswell has been given command of the Queen Victoria's Own Sappers and Miners, an Indian Army unit. The third son of the late C. G. Allan Boswell, of Quebec, he is a former Bishop's College School boy and a graduate of the Royal Military College, Kingston. He is 22. His brothers on active service are: Capt. H. Fitzgibbon Boswell, R.E., who has been decorated by the Norwegian Government, and Capt. A. Paterson Boswell, of The Black Watch (R.H.R.) of Canada, overseas.

Montreal Star, March 11th, 1943.

P/O GUY M. DRUMMOND (B.C.S. 1925-'32)

Included in a long list of Canadians commissioned in the field for "efficiency, meritorious service and the display of qualities of leadership," Pilot Officer Drummond, son of Mrs. T. T. McG. Stoker, of Montreal, and the late Capt. Guy Drummond, who was killed on active service in the Great War, is believed to be serving in North Africa. He is the only grandson of the late Lady Drummond, and was educated at Bishop's College School, Trinity College, Cambridge, and McGill University where he was studying law.

F/O HUGH W. SETON, R.C.A.F. (B.C.S. 1937-'38).

After having served as a Service Flying Instructor at Brandon, Man. for 21 months, Hugh was posted to an Operational Training Unit in Canada early in March, and upon completion of a two months' course, during which he trained on "Hurricanes," he was posted for service overseas and was promoted from the rank of Pilot Officer to that of Flying Officer. He is now looking forward to meeting his brother David whom he has not seen for about two years.

SGT. PILOT DAVID C. SETON, R.C.A.F. (B.C.S. 1936-'41).

Dave went Overseas in September last year, and after several months Operational Training on various craft, was transferred to "Spitfires" for training as a "Fighter Pilot" and on completion of this, he was posted to a Canadian Fighter Squadron somewhere in England. In a recent letter home he says "We chase the Jerries away when they try and come in at 35,000 feet."

Sherbrooke Record, June 8th.

An enviable and signal honor came to a Sherbrooke lad on Christmas Day when James A. "Jimmy" Munster, son of Lieut.-Col. and Mrs. Albert A. Munster, was named Captain for the day of H.M.C.S. Cornwallis, with which ship he is associated.

It is a tradition of the Navy that on Christmas Day one of the sailors is selected to act as Captain with all the authority of the rank.

As Captain of the ship "Captain" Munster assumed all the duties which normally are assumed by the Captain. He was entitled to the salute from all officers and men. In addition to the other honors of the day, he was privileged to sit at the Captain's place at the table and to propose the toast to the King, as well as to inspect the ship and to sample the food which was to be served.

McGill Notes

TIMMY BURGESS—Still seems to be holding his own in the social life as well as in his studies.

DONALD DURNFORD—Completed a successful career at college, receiving his degree this spring.

ERIC PHELPS—That medical faculty seems to be the cause of it all!

WALTER PALMER—Skiing has taken a back seat now that Wog has gone to camp—with all its promotions.

RONNIE BAYNE—All his efforts are directed towards the Player's Club.

BOB COLLIER—Bob was seen shortly after exams showing few of the signs of wear and tear of second year Engineering.

KEN HOWARD—Hockey took up much of Ken's time this season—but not enough to hamper his success in exams.

JOHN SKELTON—A very successful year—in most ways anyway!

DAVID McLIMONT—We hear that he has excelled himself in his work again this year.

JOHN DOHAN—According to last reports, John was enjoying camp life as a corporal.

TOM KER—Tom was our only representative at the navy camp this summer.

JACK JENKINS—It is rumoured that Jack is going to Mexico this summer to polish up on Spanish. Could it be some Senorita?

COLIN STAIRS—Hard work together with social life spells success in any language.

MICHAEL GIRI—Mishka is kept busy with his extra job and finds little time to spend on books.

BOB COCKFIELD—After all, there is a minimum amount of work that has to be done.

ANNUAL GENERAL MEETING

The Annual General Meeting was held in Montreal on Friday, the 5th March, 1943, and resulted in the election of a Committee as above noted. Messrs Riddell, Stead, Graham and Hutchison represented by Gordon Napier ('18-'22) were again appointed Honorary Auditors.

A revised set of rules governing the award of the Centeneray Scholarship was approved at the meeting. The rules have been amended to make the conditions governing the award of this scholarship substantially the same as those for the W. W. Ogilvie Scholarship, and it is contemplated that in special cases the two scholarships, having a value of \$250.00 each, might be awarded to the same boy. The scholarship may now, at the discretion of the Board of Selection, be awarded either to a boy who wishes to come to the School or to a boy already at the School. In either case the financial circumstances of the boy's parents must be such that they could not afford to send the boy to the School without assistance. Except in the case of a boy already at the School, all applications must be sponsored by an Old Boy. Any Old Boy knowing of a deserving applicant should communicate with the Head Master who is *ex-officio* a member of the Board of Selection. Other members are the Hon. Mr. Justice C. G. MacKinnon and Major E. de L. Greenwood.

It must not be forgotten that the Scholarship Fund is entirely dependent upon the annual contributions made by Old Boys. The usual contribution of one dollar is collected by the Association as part of the annual dues. Some Old Boys have been kind enough, when remitting their dues, to add a few extra dollars for the Scholarship Fund.

LIFE MEMBERSHIP

At the suggestion of Mr. R. C. S. Kaulback, K.C. ('84-'88) of Lunenburg, Nova Scotia, the Committee has made provision for Old Boys who wish to become Life Members, thereby making a substantial contribution towards the funds of the Association and, at the same time, avoiding the necessity of making small annual remittances. The fee for Life Members is \$100.00, and Mr. Kaulback has become the first Life Member.

Mr. Kaulbach has been for many years an active member of the Association and has taken constant interest in the School, having donated many prizes for track events. He is a member of The National Skating Association of Great Britain and the National Swiss

Skating Association of Lausanne, and has sent the School a series of charts designed to foster an interest in figure skating.

CASUALTIES

F/L ANDREW BREakey ('22-'26), who was serving with the R.A.F. is reported missing since December 4th.

CAPT. A. MAXWELL BOULTON ('24-'26) was seriously injured in an accident last December while serving in England with the R.C.A. He is reported to be making satisfactory progress.

CAPT. DOUGLAS COWANS ('23-'30), Black Watch, was knocked down by a taxi in England and was seriously injured. We are pleased to learn that he has been reported out of danger.

F/O BRUCE STOVEL ('30-'33) R.C.A.F. was wounded engaged in air operations off Malta.

OLD BOYS WITH THE FORCES

MAJOR GENERAL KENNETH STUART ('04-'08), Chief of General Staff, Canada, was recently invested by His Majesty the King with the insignia of a C.B., Military Division. He later accompanied the Prime Minister to Washington to confer with Mr. Churchill and President Roosevelt.

The Association extends its congratulations to three Old Boys on Active Service who have been recognized in the King's Birthday Honours List:

MAJOR GENERAL W. H. P. ELKINS ('95-'99), C.B.E., D.S.O., General Staff Officer Commanding-in-Chief, Atlantic Command, has been named a Companion of the Order of the Bath.

LT. COL. L. P. P. PAYAN, ('24-'28), who formerly commanded the Royal 22nd Regiment in England but who has since returned to Canada, was made an Officer, Order of the British Empire (Military).

MAJOR C. M. DRURY ('25-'29) formerly Canadian Military Attache at Washington, who recently relinquished the rank of Lieutenant Colonel in order to go overseas, has been made a Member Order of the British Empire (Military).

LT. COL. S. D. CANTLIE, formerly Officer Commanding the First Battalion of the Black Watch, has recently returned to Canada.

J. POTHIER DOUCET ('23-'25) has recently been promoted from the rank of Major to Lt. Colonel and given command of the Perth Regiment, a mechanized unit of the Canadian Army Overseas.

GALT DURNFORD, R.C.N.V.R. is Boom Defence Designs Officer at Naval Headquarters, Ottawa.

MAJOR J. C. ROUTLEDGE ('09-'17), who recently returned to Canada from overseas, is now serving with the First Battalion Scots Fusiliers.

CAPT. R. K. BOSWELL ('30-'37) has been given command of the Queen Victoria's Own Sappers and Miners, an Indian Army unit.

R. R. McLERNON ('26-'30), G. H. MACDOUGALL ('24-'30) and WILLIAM S. TYNDALE ('31-'37) who went overseas with the 5th Light Anti Aircraft Battery have all received their captaincies. CAPT. McLERNON has recently returned to Canada and is now serving with the Atlantic Command.

HAROLD KENNEDY ('23-'28), who is serving overseas with the 4th Light Anti-Aircraft Battery has likewise been promoted to the rank of Captain.

GUY DRUMMOND (-'37) and FRANK PACKARD (-'38) who have been serving with the R.C.A.F. in the Middle East, have recently been commissioned Pilot Officers.

LT. C. D. SEWELL ('33-'40) is serving in England with the 8th Recce. Regiment. His brother IAN L. ('33-'42) was last reported in training at Huntingdon.

DONALD LEWIS (-'38) of the R.C.A.F. has been promoted to the rank of Sgt. Pilot.

LT. P. G. SISE (-'29) has been serving at Debert with the 26th Field Regiment R.C.A.

LT. HUGH E. MACKENZIE ('35-'38) is serving overseas with the 22nd Armoured Regiment (C.G.G.).

J. M. W. PORTEOUS ('13-'19) is now Adjutant of the 2nd Reserve Battalion of the Victoria Rifles.

GIBB CARSLEY (-'26) recently graduated from the Officers' Training Centre at Brockville and is now on active service with the Black Watch.

RICHARD M. COLLIER ('33-'39) is serving with the Royal Canadian Navy.

MAJOR E. DE L. GREENWOOD Chairman of the Board of Directors of the School, has recently returned from Niagara-on-the-Lake, where he was attending Military Camp with the McGill C.O.T.C.

COLIN RANKIN (-'27) is with the Navy at Halifax with the rank of Pay Sub Lieutenant.

"RED" RANKIN ('29-'33) is with the R.A.F. Ferry Command and when last heard of was in Africa.

GEORGE WINTERS ('36-'39) is in the United States with the R.A.F. Ferry Command.

JACK BISHOP, also of the Ferry Command has been promoted to Squadron Leader.

LT. EDWARD BOOTHROYD ('22-'31) who has been serving for some time with the Royal Montreal Regiment expects to go overseas in the near future.

ROGER BOOTHROYD ('26-'35) who has recently received his Ph.D. at McGill has enlisted in the R.C.A.F.

A. I. WREGG ('37-'41) is one of a group of probationary sub-lieutenants who recently left for training on the East Coast.

W. L. ROWE ('38-'42) has recently joined the R.C.N.V.R.

PAUL LINDSAY ('34-'40) has joined the R.C.A.M.C. and is at present attached to M.D. 4 H.Q. at Montreal.

CAPTAIN WEIR DAVIS ('18-'23) recently returned to Canada from England.

We are indebted to GARTH BECKETT ('38) for a most interesting letter from Lt. GEORGE BUCH ('29-'38) formerly a member of the Committee. He is at present attached to an Engineer Unit at Debert, N.S., but is training to command a pioneer platoon in the Infantry. Among Old Boys whom he saw in the vicinity of Halifax and Debert were ROBIN LINDSAY ('35-'39), JOHN BAILLIE ('33-'34), "DODO" DODDS ('33-'40), LIEUT. JACK TAYLOR (-'38) R.C.N.V.R. and HUGH DOHENY ('26-'33) who has been overseas for some time with the Navy.

SELWYN G. B. BLAYLOCK ('92-'95) Manager of Consolidated Mining & Smelting Co., Trail, B.C. has been re-elected a member of the Board of Directors of the C.P.R. at the Annual Meeting on May 5th last.

CHARLES F. SISE ('88-'92) has been elected to the Board of Guarantee Company of North America.

M. E. BECKETT ('99-'02) formerly Vice-President of the Association, is Commodore of the Royal St. Lawrence Yacht Club.

WILLIAM MITCHELL ('26) President of the Association, who has been acting as Secretary of Wartime Merchant Shipping Ltd., has returned to the practice of law with his old firm, Messrs. Kearney, Duquet & MacKay.

When you are sitting on top of the world,
it's a good time to keep both feet on the
ground. This is a great accomplishment
if you can do it. Our Boys' and Youths'
Department practices it at all times, no
matter what height of success it attains
in outfitting young fellows.

“GET CRACKING”

With a war on our hands, loafing becomes a luxury we can ill afford. Let's get on with the job of licking Hitler, Hirohito and the rest by shouldering our share of war's responsibilities. Prime responsibility today is to avoid care-less spending, to put spare cash to practical use through the purchase of War Savings Certificates regularly. We sell them, over the counter, at all branches.

• FOR • I • DIPT •
• INTO • THE • FUTURE •

For I dipt into the future,
far as human eye could see,
Saw the Vision of the world,
and all the wonder that would be;

Saw the heavens fill with commerce,
argosies of magic sails,
Pilots of the purple twilight,
dropping down with costly bales;

Heard the heavens fill with shouting,
and there rain'd a ghastly dew
From the nations' airy navies
grappling in the central blue;

Far along the world-wide whisper
of the south-wind rushing warm,
With the standards of the peoples
plunging thro' the thunder-storm;

Till the war-drum throbb'd no longer,
and the battle-flags were fur'd
In the Parliament of man,
the Federation of the world.

FROM TENNYSON'S "LOCKSLEY HALL"

ONE HUNDRED YEARS AGO, Alfred, Lord Tennyson penned these eloquent lines of prophecy, hope, and abiding faith in a shining new world to arise out of the ruin and suffering of the old; a world of love and kindness, of tolerance and justice, wherein security shall be the right of all within a universal brotherhood of man.
